**Public Relations and Participatory Culture** Amber Hutchins, Natalie Tindall, 2016-03-10 While public relations practitioners have long focused on the relationship between organizations and their stakeholders there has never been a time when that relationship was so dominated by public participation The new model of multiple messages originating from multiple publics at varying levels of engagement is widely acknowledged but not widely explored in scholarly texts The established model of one way communication and message control no longer exists Social media and an increasingly participatory culture means that fans are taking a more active role in the production and co creation of messages communication and meaning These fans have significant power in the relationship dynamic between the message the communicator and the larger audience yet they have not been defined using current theory and discourse Our existing conceptions fail to identify these active and engaged publics let alone understand virtual communities who are highly motivated to communicate with organizations and brands This innovative and original research collection attempts to

address this deficit by exploring these interactive engaged publics and open up the complexities of establishing and maintaining relationships in fan created communities     **American Sports in an Age of Consumption** Cory Hillman,2016-08-16 Sports are not what they used to be New publicly funded stadiums resemble shopping malls Fans compete for cash prizes in fantasy sports leagues Sports video games are now marketing and public relations tools and team logos have become fashionable brands The larger social meanings sports hold for fans are being eclipsed by their commercial function as a means to sell merchandise and connect corporate sponsors with consumers This book examines how the American consumer culture affects professional and collegiate sports reducing fans to consumers and trivializing sports themselves Instructors considering this book for use in a course may request an examination copy here     **The EBay Price Guide** Julia L.
