Digital Justice

M. Ethan Katsh,Orna Rabinovich-Einy,2017 Improving access to justice has been an ongoing process and on demand justice should be a natural part of our increasingly on demand society What can we do for example when Facebook blocks our account we re harassed on Twitter discover that our credit report contains errors or receive a negative review on Airbnb How do we effectively resolve these and other such issues Digital Justice introduces the reader to new technological tools to resolve and prevent

disputes bringing dispute resolution to cyberspace where those who would never look to a court for assistance can find help for instance via a smartphone The authors focus particular attention on five areas that have seen great innovation as well as large volumes of disputes ecommerce healthcare social media labor and the courts As conflicts escalate with the increase in innovation the authors emphasize the need for new dispute resolution processes and new ways to avoid disputes something that has been ignored by those seeking to improve access to justice in the past
