Helen Zhang hasn't seen Grant Shepard once in the thirteen years since the tragic accident that bound their lives together forever. Now a bestselling author, Helen pours everything into her career. She's even scored a coveted spot in the writers' room of the TV adaptation of her popular young adult novels, and if she can hide her imposter syndrome and overcome her writer's block, surely the rest of her life will fall into place too. LA is the fresh start she needs. After all, no one knows her there. Except Grant has done everything in his power to move on from the past, including building a life across the country. And while the panic attacks have never quite gone away, he's well-liked around town as a screenwriter. He knows he shouldn't have taken the job on Helen's show, but it will open doors to developing his own projects that he just can't pass up. Grant's exactly as Helen remembers him: charming, funny, popular, and lovable in ways that she's never been. And Helen's exactly as Grant remembers too: brilliant, beautiful, closed-off. But working together is messy and electrifying, and Helen's parents, who have never forgiven Grant, have no idea he's in the picture at all. When secrets come to light, they must reckon with the fact that theirs was never meant to be any kind of love story. And yet, the key to making peace with their past and themselves might just lie in holding on to each other in the present.

**TikTok Literary Communities** Cayla Caruso, 2025

Beginning on Tumblr in 2014, the Dark Academia internet aesthetic and later literary genre took hold of audiences and entranced them into its dark, moody, mysterious world. As social media evolved to the current day, Dark Academia literature has found a foothold on one of the most popular social media platforms, TikTok. Current research and literature about this community does not exist, prompting the question about the characteristics of the Dark Academia literature community on TikTok. This thesis uses an Ethnographic Content Analysis (ECA) approach to understand the Dark Academia community, its video characteristics, its members, and its widely accepted canon of literature.
