*The PEERS Curriculum for School-Based Professionals* Elizabeth A. Laugeson, 2013-10-23 The PEERS Curriculum for School Based Professionals brings UCLA's highly acclaimed and widely popular PEERS program into the school setting. This sixteen week program clinically proven to significantly improve social skills and social interactions among teens with autism spectrum disorder is now customized for the needs of psychologists, counselors, speech pathologists, administrators, and teachers. The manual is broken down into clearly divided lesson plans, each of which have concrete rules and steps, corresponding homework assignments, plans for review, and unique fun activities to ensure that teens are comfortable incorporating what they've learned. The curriculum also includes parent handouts, tips for preparing for each lesson, strategies for overcoming potential pitfalls, and the research underlying this transformative program.

*E-Commerce Fundamentals* Dr. Dinesh G. Harkut, Dr. Kashmira N. Kasat, 2025-10-06 This book E Commerce Fundamentals: A Concise Guide for Beginners has been carefully designed with undergraduate students, particularly engineering learners, in mind. Over the years of our teaching and research experience, we have observed a growing need for a comprehensive yet concise academic resource that introduces the essential principles of e-commerce while also highlighting its practical relevance. Most existing literature either approaches the subject from a purely business standpoint or look into highly technical perspectives. Our intent has been to bridge this gap by presenting a text that is conceptually strong, practically relevant, and student friendly.
