28-Day FAST Start Day-by-Day Gin Stephens, 2023-12-26 Gin Stephens is unstoppable. And she won't even pause until she's introduced every potential reader to Intermittent Fasting. In her *28 Day FAST Start Day By Day*, she dispenses the hows and whys of IF day by day for a reader's first month, giving IFers what they need to know when they need to know it. Supported throughout with inspirational case histories that add up to a troubleshooting primer as well as tips, truths, and tweaks, *28 Day FAST Start Day By Day* also has an important write-in aspect. Most IFers fail because they don't think the practice is working or think it's only working because they are naturally reducing calories by time-boxing their daily eating. With simple direct check-ins at the end of each of the first twenty-eight days, readers will stay on track by noticing how their bodies are reacting to IF, acknowledging non-scale victories, and setting a goal for the next day; it's Gin's version of habit formation, and it works. *28 Day FAST Start Day By Day* is a complete program. Almost everything except the time framework will feel new even to readers of *FAST FEAST REPEAT* from picking an entry speed, *Easy Does It*, *Steady Build*, or *Rip Off The Band Aid* on Day One to discovering your Appetite Thermostat in the middle of the month to Master the Delay on Day Twenty-Eight.
