Paraeducator Instructional Aide Tutorial:

A Guide to Co-Teaching With Paraeducators Ann I. Nevin, Richard A. Villa, Jacqueline S. Thousand, 2009 This book provides a valuable resource for the best utilization of paraeducators in the classroom with tips and tools for making this a successful process. Melissa Miller Science Teacher, Lynch Middle School, Farmington, AR. Easy to read and understand, this book contains many examples, resources, and up-to-date information pertinent to the role of paraeducators. Mari Gates, Special Education Co Teacher, Henry B. Burkland Intermediate School, Middleboro, MA. Learn how paraeducators can positively impact the achievement of students with special needs in the inclusive classroom. Focused on the expanding role of paraeducators, this hands-on reference provides practical guidelines for collaborating with paraeducators to give students with special needs access to highly qualified instructors in the general education classroom and individualized attention that promotes learning for all students. The authors outline a team approach bolstered by a plan for developing teachers and their paraeducators through built-in school system supports that allow for appropriate supervision and encourage ongoing training. This comprehensive guide includes tips and strategies for a collaborative planning and instructional process and offers reproducible forms that teachers and paraeducators can use to establish effective co-teaching roles. Numerous K-12 examples that provide clear direction on how paraeducators can impact student achievement. Real-life accounts from three paraeducators to provide authentic firsthand scenarios. Concept maps, chapter summaries, and a glossary of terms for easy navigation of the material. **A Guide to Co-Teaching With Paraeducators** offers general and special education teachers and paraeducators a historical overview of paraprofessional roles, highlights the four types of co-teaching, and addresses legislative mandates, potential legal challenges, and requirements for certification of paraprofessional skills.

A Guide to Co-Teaching Richard A. Villa, Jacqueline S. Thousand, Ann I. Nevin, 2013-01-04 Your go-to guide for co-teaching.

Differentiated instruction for a diversity of learners it's the reality of today's classrooms and a tough task to take on alone. But co teaching more than just lightens your load. When you and a co teacher bring together your individual skill sets and strategies you'll create a more enjoyable, creative and productive teaching experience and deliver more effective outcomes to your students too. Where do you start? This brand new edition of the go to guide uses updated research and case studies to provide detailed profiles of four approaches to co teaching: supportive, parallel, complementary and team teaching. New features include: Brand new chapter on preparing co teachers in clinical practice with examples; Expanded explanations of the roles of paraprofessionals, administrators and students in co teaching; Updated discussions of co teaching in the RTI process; New lesson plans linked to the Common Core State Standards and technology; New forms and tools for establishing trust, improving communication and planning. With quotes and advice from teachers and students plus practical features like self-assessments and organization tips, this is the ultimate guide to co teaching. Find out why so many teachers prefer co teaching to teaching alone and how co teaching improves the process of learning for all students. *Guide to Effective Paraeducator Practices*, 2007 Describes the services that are necessary to support effective paraeducator practices in Iowa schools.
