

TIM PAT COOGAN

# ON THE BLANKET

The Inside Story of the IRA Prisoners' "Dirty" Protest

"From the very first sentence, it grips us in horrific. One would have to be extremely insensitive or extremely prejudiced not to be moved by it."

—IRISH TIMES

SUPPORT THE PRISONERS

# On The Blanket The Inside Story Of The Ira Prisoners Dirty Protest

**D. J. Hickey, J. E. Doherty**

## **On The Blanket The Inside Story Of The Ira Prisoners Dirty Protest:**

**On the Blanket** Tim Pat Coogan,2002-08-17 The H Block protest is one of the strangest and most controversial issues in the tragic history of Northern Ireland Republican prisoners convicted of grave crimes through special courts and ruthless interrogation procedures campaigned for political status by refusing to wear prison clothes and daubing their cell with excrement Were they properly convicted criminals or martyrs to political injustice In a masterpiece of investigative journalism Coogan provides us with the only first hand account of the protest His investigation led deep into the social cultural and economic maze of Northern Ireland s history to give readers an unmatched analysis of a troubled place and its sorrowful history

**Blanketmen** Richard O'Rawe,2005 Richard O Rawe was a senior IRA prisoner in the H Blocks of Long Kesh prison One of the Blanketmen he took part in the dirty protests that led to the hunger strikes of the early 1980s Now O Rawe gives his personal account of those turbulent times that saw British and Irish governments entering unprecedented negotiations with the IRA Army Council and the prisoners themselves Passionate disturbing and controversial Blanketmen is a landmark book in the cruel history of Northern Ireland Back cover

**Dance in Chains** Padraic Kenney,2017 A study of the role of political imprisonment in the modern world in regimes ranging from communist to fascist to colonial to democratic

**1916** Tim Pat Coogan,2016-11-08 There s before 1916 and then there s after Between them lies the Easter Rising when Irish republicans took up arms against British rule and changed the course of their country s history forever For though the resistance failed it failed gloriously the rebels were no longer a group of cranks and troublemakers in the public eye but martyrs and national heroes their example set the way for others and their mission lived on through the century to come But what sort of country did the Rising create And how does post 1916 Ireland compare with the aspirations of the rebellion s leaders the hopes of Thomas MacDonagh and John MacBride of James Connolly and Patrick Pearse One hundred years later Tim Pat Coogan offers a personal perspective on the Irish experience that followed the Rising He charts a flawed history that is marked as much by complacency corruption and institutional abuse as it is by the building of a nation and the sacrifices of the Republic s founding fathers

**Irish Women's Prison Writing** Red Washburn,2022-11-16 This book explores 50 years of Irish women s prison writing 1960s 2010s connecting the work of women leaders and writers in Northern Ireland during the Troubles This volume analyzes political communiqu s petitions news coverage prison files personal letters poetry and short prose and memoirs highlighting the personal correspondence auto biographical narratives and poetry of the following key women Bernadette McAliskey Eileen Hickey Mair ad Farrell S le Darragh Ella O Dwyer Martina Anderson Dolours Price Marian McGlinchey formerly Marian Price ine and Eibhl n Nic Giolla Easpaig Ann and Eileen Gillespie Roseleen Walsh and Margaretta D Arcy This text builds on different fields and discourses to reimagine gender and genre as central to an interdisciplinary and intersectional prison archive Centering Irish women s prison writings in order to challenge canonization in history and literature this volume argues that women s lives and words offer a different view of gender and nation as well

as offer a fuller and more inclusive archive of Irish history and literature Additionally this book will point to the ways in which their politics of everyday life and their cultural work is a form of anti colonial civil rights feminism for it speaks truth to power in a world in which compliance and silence are valued Overall this text focuses on rethinking and recasting women s voices and words in order to document and promote the ongoing Irish freedom struggle from an abolitionist feminist perspective

**Anthropological Perspectives on Political Violence** F. Candler Hallman,2005 1916: The Mornings

After Tim Pat Coogan,2015-11-05 The 1916 Easter Rising and its aftermath changed Ireland for ever The British government s execution of 14 republican rebels transformed a group hitherto perceived as cranks and troublemakers into national heroes Those who avoided the British firing squads of May 1916 went on to plan a new and ultimately successful struggle for Ireland s independence shaping their country s destiny for the century to come But what sort of country did they create And to what extent does post 1916 Ireland measure up to the hopes and aspirations of MacDonagh and MacBride And Connolly and Pearse Best selling historian Tim Pat Coogan offers a strongly personal perspective on the Irish century that followed the Rising charting a flawed history that is marked as much by complacency corruption and institutional and clerical abuse as it is by the sacrifices and nation building achievements of the Republic s founding fathers

*The Canadian Journal of Irish Studies* ,2000 **Black and Green** Brian Dooley,1998-01-15 An excellent book Irish Voice New York Ties between political activists in Black America and Ireland span several centuries from the days of the slave trade to the close links between Frederick Douglass and Daniel O Connell and between Marcus Garvey and Eamon de Valera This timely book traces those historic links and examines how the struggle for black civil rights in America in the 1960s helped shape the campaign against discrimination in Northern Ireland The author includes interviews with key figures such as Angela Davis Bernadette McAliskey and Eamonn McCann

*Where's where in Dublin* Joseph E. A. Connell,2006 This Directory marks the 90th anniversary of the 1916 Rising and lists historic locations in Dublin on a street by street basis describing the events which occurred in each during the tumultuous decade from the 1913 Lock Out until the end of the Irish Civil War Joseph E A Connell has catalogued the many sites of historic interest in Dublin and has used his knowledge over many years to guide visitors on the 1916 Rebellion walking tours

*Library Journal* ,2002 Forthcoming Books Rose Arny,2002-04 Books in Print Supplement ,2002

*The New Republic* Herbert David Croly,1981 The Writers Directory ,2013 *A New Dictionary of Irish History from 1800* D. J. Hickey,J. E. Doherty,2003 The first paperback edition of the definitive reference book on modern Irish history Comprising almost 2 000 headwords it remains the only such work completely devoted to the modern period

The Wearing of the Green Michael Herbert,2001 **Beyond the Wire** Peter Shirlow,Kieran

McEvoy,2008-01-20 Analyses the positive role that former prisoners can have in reconstructing communities in the wake of internal conflict

Conflict in Northern Ireland Donald P. Doumitt,1985 Political economic social psychological literary and religious factors have influenced Protestants and Catholics toward violence in Northern Ireland since 1969 Such violence

emanates from an unjust social order where little has changed since 1921 Issues pertaining to political powersharing with the Catholic minority and discrimination in the allocation of jobs and housing are presented Ulster's troubles are viewed as conditions in which long standing Protestant Catholic interests are exploited by demagogues to defend or attack the status quo Sectarian propagandists capitalize on Protestant Catholic fears and maintain a divided population Efforts to reach out across the religious divide while achieving a revived economy are possible remedies toward a peaceful solution **The Troubles** Tim Pat Coogan, 1996 In light of the recent movement toward all party talks notwithstanding the IRA's resumption of terrorist bombing attacks in England Tim Pat Coogan offers a balanced and reflective assessment of the complex conflicts in contemporary Northern Ireland An authoritative observer of the nationalist cause with strong political contacts on both sides of the border Coogan sets the historical context for the resurgence of centuries old tensions that led to the civil protest and pogroms of the late 1960s He examines the introduction of British forces to the streets of Derry and Belfast and the reaction to their presence at first welcomed as protection from Loyalist attack they were soon resented by nationalists and many became victims of the Republican forces outrage Coogan insightfully probes the spread of IRA violence across the Irish Sea to key locations in Britain and the responses of the British government its troops and various Unionist organizations

Decoding **On The Blanket The Inside Story Of The Ira Prisoners Dirty Protest**: Revealing the Captivating Potential of Verbal Expression
