

"John Gardner's book is worth a thousand pictures of the writer writing—hunched, puffing a pipe, one hand on the keyboard, one on his hat. John was a devoted teacher, and those of us who witnessed his generous attention must be grateful for these pages and his ongoing example. *On Becoming a Novelist* evokes the life of the writer, the student, the teacher as few other documents can; it puts facts while describing 'vivid continuation dreams.'"

—Nicholas Delbanco

"John Gardner was as impelled to teach as he was to write; in some ways his students recognized instantly, writing and teaching were for him two parts of a single and seamless investigation. His brave voice is audible in every sentence of this book."

—William Matthews

"It's clear, after reading *On Becoming a Novelist*, that we lost more than a powerful novelist when Gardner died. We lost a powerful teacher as well."

—Russell Banks

John Gardner published ten volumes of criticism, five books for children, two books of poetry, two collections of short stories, and eight novels. He died in September 1982 at the age of 49.
