## On The Unity Of Christ:

**On the Unity of Christ** St. Cyril of Alexandria,1995      **The Unity of Christ** Christopher A. Beeley,2012-09-25 No period of history was more formative for the development of Christianity than the patristic age when church leaders monks and laity established the standard features of Christianity as we know it today Combining historical and theological analysis Christopher Beeley presents a detailed and far reaching account of how key theologians and church councils understood the most central element of their faith the identity and significance of Jesus Christ Focusing particularly on the question of how Christ can be both human and divine and reassessing both officially orthodox and heretical figures Beeley traces how an authoritative theological tradition was constructed His book holds major implications for contemporary theology church history and ecumenical discussions and it is bound to revolutionize the way in which patristic tradition is understood

**Unity in the Faith** Bradford Mark Rosenquist Ph.D.,2018-07-31 Churches all over the world work to spread the gospel of Christ but this work is done in many different ways by many different denominations Jesus and Paul were quite clear that the church of God was to be in total unity especially with regard to the teachings of the gospel So how do we bring the many denominations into a unity that will enhance a genuine team effort to present the true gospel to the world In Unity in the Faith author Bradford Mark Rosenquist shows why church unity across all denominations is an absolutely necessary work that must be accomplished for gospel success First outlining what church unity is and what has been a historical obstacle to this unity Rosenquist goes on to show how integral unity is to the gospel message of Christ In the end Unity in the Faith provides both an analysis of unity as well as a roadmap that Christians and church leaders can use to promote true unity in their congregations It takes a cooperative effort to reach the world with the truth about Jesus and the kingdom of God The universal body of Christ must therefore overcome the current disunity so that as one we can live up to Christs admonition to go into all the world and preach the gospel      *Costly Love* John H. Armstrong,2018-06-30 John Armstrong knows from personal experience how easy it is to put too much emphasis on correct teaching in our experience of church and how easily we lose sight of the love on which Christ built his church when we do so In Costly Love Armstrong acknowledges the importance of doctrine and theological discussion in the church but he urges Christians to focus first on whether we are following Jesus new commandment to love as he loved Our actions of love will begin to bring us closer to unity with one another and with God

**The Church Cyclopaedia** A. A. Benton,1883      **God's Being in Reconciliation** Adam J. Johnson,2012-03-01 One of the most pressing issues in the doctrine of the atonement today is the question of the unity and diversity of the work of Christ What are we to make of the diversity within the biblical witness and the history of doctrine when it comes to explanations of the meaning and significance of Jesus death and resurrection Without a grasp of the unity of his work our understanding and use of the diversity runs the risk of becoming haphazard and disordered Proposals regarding the unity of Christ s work today tend to focus on the metaphorical nature of language the role of culture and various possible

conceptual schemes rarely reflecting on unity and diversity proper to the being God To fill this gap Johnson draws on Karl Barth's integrated account of the doctrines of God and reconciliation harnessing the resources contained within the doctrines of the Trinity and divine perfections to energize a properly theological account of the unity and diversity of the atonement

**Christ in Creation and Ethical Monism** Augustus Hopkins Strong,1899 *Cumulative List of Organizations*

*Described in Section 170 (c) of the Internal Revenue Code of 1986 ,1997* *Cumulative List of Organizations Described in Section 170 (c) of the Internal Revenue Code of 1954* United States. Internal Revenue Service,2002 **Advancing**

**Christian Unity** Anthony Burgess,2019-09-24 In John 17 Jesus prayed for the unity of the church Yet today we tend to accept disunity as inevitable In this book Anthony Burgess calls us to addresses the spiritual and visible unity that Jesus desires for His people Burgess speaks of how union and communion with Christ and His people are the life and comfort of believers Giving careful consideration of what Christian unity should look like Burgess excels at uncovering common causes of division and promoting means to advance unity among God's people Series Description Interest in the Puritans continues to grow but many people find reading these giants of the faith a bit unnerving This series seeks to overcome that barrier by presenting Puritan books that are convenient in size and unintimidating in length Each book is carefully edited with modern readers in mind smoothing out difficult language of a bygone era while retaining the meaning of the original authors Books for the series are thoughtfully selected to provide some of the best counsel on important subjects that people continue to wrestle with today Table of Contents 1 The Blessing of Unity Among Ministers 2 The Pattern for Unity Among Ministers 3 The Nature of Christian Unity 4 The Necessity of Christian Unity 5 The Reason for the Lack of Christian Unity 6 The Characteristics of Christian Unity 7 The Rules for Christian Unity 8 The Expansion of Christian Unity 9 The Value of Christian Unity 10 The Perfection of Christian Unity

**The Basis of Christian Unity** ,1937 **Christian Unity and Christian Diversity** John

Macquarrie,1975 To combine unity can never be a tightly knit affair It must leave room not just for the preservation but for the continuing development of the rich heritage of different Christian traditions The Church of the future the author believes will manifest more clearly the visible unity of the people of God and it will be a new creation but it will also be continuous with the Church of the ages and gather up undiminished the wealth of forms that Christianity has brought for

*Ephesians*

John Paul Heil,2007 **The Christian Creed** Stanley Leathes,1878 **A Plea for Unity** John MacArthur,1990 Christians share a bond unlike any other an eternal bond Dr MacArthur shows how the principles of unity can be applied to every attitude and area of church life With a call to humility he reminds us that our objectives must be selfless looking out for the needs of others as we develop Christlike characteristics within ourselves

**Report of the Mildmay park conference**

Mildmay conference,1880 **Tear Down These Walls** John H. Armstrong,2021-08-01 I am praying not only for these disciples but also for all who will ever believe in me through their message I pray that they will all be one just as you and I are one as you are in me Father and I am in you And may they be in us so that the world will believe you sent me John 17 20

21 NLT For most Christians these words of Jesus seem like an unreachable ideal Or they promise spiritual unity without a visible demonstration between real people Some even read these words with a sense of fear seeing this text used for a compromise agenda How should we understand this prayer offered for all who follow Jesus What if Jesus really intended for the world to believe the gospel on the basis of looking at Christians who live deep unity in a shared relationship with him What if there is way of understanding what Jesus desired so that we can begin anew to tear down the many walls of division that keep the world from seeing God s love in us Is our oneness much bigger and deeper than we could imagine John Armstrong has devoted three decades to the work of Christian unity His story and ministry have encouraged many around the world and now they are reflected in this memoir of a life devoted to unity Unity in Trinity, and Trinity in Unity. A Dissertation James Anderson,1733 Christian Literature and Review of the Churches ,1894 **A General View of the Arguments for the Unity of God** Joseph Priestley,1783
