Nursies When The Sun Shines:

Nursies when the Sun Shines Katherine Havener, 2011 *Nursies When the Sun Shines* is a godsend to parents of nursing toddlers exhausted from late night wakings for milk. Beautiful watercolour illustrations and a sweet lulling verse help young children understand the concept of night and day. Night time the book explains is for sleeping. Nursies on the other hand happen when the sun shines. In *Nursies* a tousle haired toddler is snuggled up in bed with mom and dad ready to go to sleep for the night. The family's grey striped cat snoozing soundly at their feet. When the toddler wakes at night for nursies mom shows her baby that it's dark outside and assures baby that she'll have nursies when the sun shines. Later with brilliant sun streaming through the window the toddler knows it's time for nursies. The book closes with a heart warming illustration of a nursing family the toddler nuzzled up to mama's breast daddy kissing toddler's head and even the family cat purring a love song. *Nursies* is a groundbreaking children's book the first ever to focus on night weaning. Its goal is to facilitate communication between parent and young child thereby making the process of night weaning as gentle and easy as possible.
