And you probably know that your MINI is packed with some of BMW's latest automotive technology. But if you want to maintain and repair your car yourself or just want to understand what's going on under the bonnet you'll be wanting the MINI Cooper Cooper S 2002 2004 Service Manual by Bentley Publishers. This is the only comprehensive single source of service information and specifications available for MINI models from 2002 2004. The aim throughout this manual has been simplicity, clarity and completeness achieved through practical explanations, step by step procedures and accurate specifications. Whether you're a professional technician or a do it yourself MINI owner, this manual will help you understand, care for and repair your car. Bentley Publishers' new MINI service and repair manual is based on factory information but is heavily supplemented by hands on experience and illustrations. The service manual editorial team has disassembled and photographed several MINI models for this project in the Bentley Service Information Research Center.

Books In Print 2004-2005 Ed Bowker Staff, Staff Bowker, Ed, 2004 **Mini Cooper Service Manual 2002-2006** Bentley Publishers, 2007 The MINI Cooper Service Manual 2002 2006 is a comprehensive source of service information and specifications for MINI Cooper models from 2002 to 2006. This manual supersedes our previous 2002 2004 manual with two more model years of coverage as well as new repair information for the Convertible model. The manual also includes coverage of the Cooper S models. The aim throughout this manual has been simplicity, clarity and completeness with practical explanations, step by step procedures and accurate specifications. Whether you're a professional or a do it yourself MINI owner, this manual will help you understand, care for and repair your car. Though the do it yourself MINI owner will find this manual indispensable as a source of detailed maintenance and repair information, the owner who has no intention of working on his or her car will find that reading and owning this manual will make it possible to discuss repairs more.
