Adidas Update:

Trademarks and Social Media Danny Friedmann, 2015-09-25 Legal conflicts between trademark holders social media providers and internet users have become manifest in light of wide scale unauthorised use of the trademark logo on social media in recent decades Arguing for the protection of the trademark logo against unauthorised use in a commercial environment this book explores why protection enforcement should be made automatic A number of issues are discussed including the scalability of litigation on a case by case basis and whether safe harbour provisions for online service providers should be substituted for strict liability
