**Routledge Handbook of Mental Health in Elite Sport** Insa Nixdorf, Raphael Nixdorf, Jürgen Beckmann, Scott Martin, Tadhg Macintyre, 2023-03-26 Mental health is a rapidly increasing topic in the field of sport psychology. As the relevance of athletes' mental health has come to prominence through emerging research, there is a high demand for evidence-based practice in order to promote athletes' mental health and prevent mental disorders as well as maladaptive syndromes. However, there is currently no comprehensive overview available that highlights the empirical evidence for the constructs of mental health, illustrating the latest developments in research or that highlights implications for future science and practice. The Routledge Handbook of Mental Health in Elite Sport delivers such an understanding and overview for this field, offering students, researchers, mental health professionals, applied sport psychologists, and coaches a state-of-the-art and insightful summary of science in the newly emerged field of clinical sport psychology and mental health in athletes. This thorough volume covers major current and emerging topics on mental health and mental illness, e.g., depression, subclinical syndromes, e.g., burnout, as well as a comprehensive overview of research on prevention, e.g., green exercise, and treatment of mental health disorders in athletes, and will be a vital resource for researchers, academics, and students in the fields of sport psychology, clinical psychology, sport coaching, sport sciences, health psychology, and physical activity and related disciplines. *Official Export Guide* North American Publishing Company, 1995

**Brand Leadership** David A. Aaker, Erich Joachimsthaler, 2012-12-11 Management fads come and go in the blink of an eye, but branding is here to stay. Closely watched by the stock market and obsessed over by the biggest companies, brand identity is the one indisputable source of sustainable competitive advantage, the vital key to customer loyalty. David Aaker is widely recognised as the leading expert in this burgeoning field. Now he prepares managers for the next wave of the brand revolution. With coauthor Erich Joachimsthaler, Aaker takes brand management to the next level: strategic brand leadership. Required reading for every marketing manager, this is the author's conceptualisation of brand architecture: how multiple brands relate to each other and their insights on the hot new area of Internet branding. Full of impeccable, intelligent guidance, BRAND LEADERSHIP is the visionary key to business success in the future.
