## **Lyft Near Me Customer Service:**

**A Tale of Two Paths** David Waddell,2025-12-10 Author David Waddell draws on two references related to baseball to form his thoughts on the choices one has when deciding between grace and legalism One is a statement from Yogi Berra who said If you come to a fork in the road take it The other reference deals with a short skit performed by the comedy duo Abbott and Costello titled Who's on First Waddell points out that every follower of Christ faces a constant fork in the road where they must choose the path of grace or the path of legalism Waddell provides examples from his life that relate to the situations where Jesus dealt with the Pharisees and the letters of the Apostle Paul whose ministry constantly pointed people to grace by faith rather than adherence to Jewish law

*Spent behind the Wheel* Julietta Hua,Kasturi Ray,2021-12-21 Exploring professional passenger driving and the gig economy through feminist theories of labor Are taxi drivers in today's era of the ride hail app performing care work akin to domestic and household labor So argue the authors of Spent behind the Wheel Bringing together sociological and legal perspectives with feminist theoretical insights Julietta Hua and Kasturi Ray examine the case study of contemporary professional passenger driving in the United States On the one hand they show the rise of the gig economy has brought new attention to the industry of professional passenger driving On the other hand the vulnerabilities that professional drivers experience remain hidden Drawing on interviews with drivers labor organizers and members of licensing commissions as well as case law and other published resources Hua and Ray argue that working for ride hail companies like Uber and Lyft shares similarities with driving for taxi companies in the impact on driver lives Lyft and Uber sell the idea of industry disruption but in fact they entrench long standing modes of extracting the reproductive labor of their drivers for the benefit of consumer lives Reproductive labor conventionally understood as feminized labor is extracted but masked behind the

masculinized racialized bodies of drivers Professional driving is thus best understood alongside domestic and other gendered service work as reproductive labors devalued and often demonetized to benefit the national economy Spent behind the Wheel is a must for readers interested in critical studies of technological change and the gig economy showing how drivers capacities are drained for the benefit of riders corporations and the maintenance of the racial state *Dial A For Aunties (Aunties, Book 1)* Jesse Sutanto, 2021-04-27 Winner of the Comedy Women In Print Prize 2021 Whip smart original and so funny I found it impossible to put down and lost count of the number of times I laughed out loud Beth O Leary Sunday Times bestselling author of The Road Trip Your family would kill to see you happy **The Zero Transaction Cost Entrepreneur:**

**Waiting For Service** Amas Tenumah,2021 You hate waiting in line or on the phone for customer service There have been plenty of books about customer service that all seem to offer secrets to improve customer service This is not that book I instead want to focus on Why customer Service is so broken and give you the secrets to get around it Customer service is bad by design Your bad customer service is not random it is intentional Customer Service is universally terrible this is not an opinion You do not have to believe me I am saying it is raining outside and you can simply look out the window I spent two decades helping dozens of your favorite brands with customer service You will laugh get mad all over again at some of the conversations I have had with executives around customer service I name names expose Customer Service nightmares from Travel to Cable Walmart fast food and so much I also provide you with how to get around bad service and offer radical thinking to reset customer service Amas Tenumah **Customer service on life support** The Customer Service Inspector ,2025-10-03 Customer service isn t dead but it s on life support Once businesses treated service as the foundation of loyalty and trust Employees were empowered complaints were valued and customers felt heard Today Long queues faceless bots hidden complaint processes and leaders who mistake excuses for solutions In this sharp no nonsense book The Customer Service Inspector reveals how standards collapsed after the pandemic and why consumers have been conditioned to accept less Drawing on decades of experience in loyalty and retention they expose the cost of bad service for customers employees and companies alike But this isn t just a diagnosis It s a rallying cry With common sense empowerment and a return to the simple rule of treating people how we want to be treated service can recover The question isn t can we demand better It s whether we will If you ve ever waited on hold fought a bot or swallowed your frustration in silence this book is for you
