vintage book contains a famous cookbook written by Fannie Farmer in the nineteenth century. It is an extensive and comprehensive general reference cookbook which is still being reprinted and updated to this day. It is famous for a more rigorous approach to writing recipes than had been common up to that point and is still a useful cooking resource for modern readers. Easy to digest and full of interesting recipes and handy tips this book would make for a great addition to any collection of cooking literature. It is not to be missed by the discerning collector. Many antiquarian books such as this are increasingly rare and expensive and it is with this in mind that we are republishing this book now in an affordable modern edition complete with a specially commissioned introduction on home cooking.

Offering a panoramic view of the history and culture of food and drink in America with fascinating entries on everything from the smell of asparagus to the history of White Castle and the origin of Bloody Marys to jambalaya the Oxford Companion to American Food and Drink provides a concise, authoritative and exuberant look at this modern American obsession. Ideal for the food scholar and food enthusiast alike it is equally appetizing for anyone fascinated by Americana capturing our culture and history through what we love most food. Building on the highly praised and deliciously browsable two volume compendium the Oxford Encyclopedia of Food and Drink in America this new work serves up everything you could ever want.

to know about American consumables and their impact on popular culture and the culinary world Within its pages for example we learn that Lifesavers candy owes its success to the canny marketing idea of placing the original flavor mint next to cash registers at bars Patrons who bought them to mask the smell of alcohol on their breath before heading home soon found they were just as tasty sober and the company began producing other flavors Edited by Andrew Smith a writer and lecturer on culinary history the Companion serves up more than just trivia however including hundreds of entries on fast food celebrity chefs fish sandwiches regional and ethnic cuisine food science and historical food traditions It also dispels a few commonly held myths Veganism isn't simply the practice of a few hippies but is in fact wide spread among elite athletic circles Many of the top competitors in the Ironman and Ultramarathon events go even further avoiding all animal products by following a strictly vegan diet Anyone hungering to know what our nation has been cooking and eating for the last three centuries should own the Oxford Companion to American Food and Drink DT Nearly 1 000 articles on American food and drink from the curious to the commonplace DT Beautifully illustrated with hundreds of historical photographs and color images DT Includes informative lists of food websites museums organizations and festivals Cook's Marketplace Los Angeles Linda Burum,Sherry Irene Virbila,1986 House & Garden ,1978 **The Ma Cuisine Cooking School**
