## **Old Testament Prophets For Today:**

Old Testament Prophets for Today Carolyn J. Sharp, 2009-03-13 The prophets of the Old Testament include such well known characters as Isaiah Jeremiah Amos and Hosea There are however many other prophets both in the biblical books that bear their names and in the other histories and stories of ancient Israel Carolyn Sharp offers a brief introduction to each of the Bible s prophets and their prophetic books developing the theological themes present in each with an eye toward how the prophetic message is relevant today The For Today series was designed to provide reliable and accessible resources for the study and real life application of important biblical texts theological documents and Christian practices The emphasis of the series is not only on the realization and appreciation of what these subjects have meant in the past but also on their value in the present for today Thought provoking questions are included at the end of each chapter making the books ideal for personal study and group use

The Biblical Prophets for Today Keith Malcolm Hunt, 2011-02-10 Nearly ONE THIRD of the Bible concerns Prophecy And MOST of that prophecy is for the last 42 months of this age The book of Revelation is for the Lord s day not a day of the week but for the prophetic time in the prophets of the Old Testament known as the day of the Lord All nations on earth are families grown large and many of them moved migrated and settled in the lands where we find them today Much recorded history down through the ages shows who the modern nations of the world are where they came from and who they were in the days of the Old Testament prophets Much prophecy has a two fold fulfillment i e Jeremiah 30 1 9 Isaiah 11 The latter fulfillment is for the very end times the last 42 months of this age Luke 21 22 For these be the days of vengeance that all things that are written may be fulfilled With these basic keys we can understand the Bible prophets as they speak to us for our day and beyond into the last 42 months of this age leading up to the glorious powerful mighty return of Christ Jesus to this earth and the establishing of the Kingdom of God on earth Nearly ONE THIRD of the Bible concerns Prophecy And MOST of that prophecy is for the last 42 months of this age The book of Revelation is for the Lords day not a day of the week but for the prophetic time in the prophets of the Old Testament known as the day of the Lord All nations on earth are families grown large and many of them moved migrated and settled in the lands where we find them today Much recorded history down through the ages shows who the modern nations of the world are where they came from and who they were in the days of the Old Testament prophets Much prophecy has a two fold fulfillment i e Jeremiah 30 1 9 Isaiah 11

Old Testament Prophets, Then and Now Howard Bean, 2012-10-11 This book seeks to get the attention of the Christian community that calls themselves the body of Christ because the revelation that God has given author Howard Bean concerning this book is to open the blinded eyes of those that have become hardhearted rebellious and backslidden to what God says in his Word The prophets that have been used in this book present a clear picture of the type of apostasy that we have today which are those who twist his Word and disobey the word of God This book is to warn the church of the apostasy that they have gotten themselves into as Israel had done against God years ago in the Old Testament If we as children of God

will open his Word and asked him to open our blinded eyes in the name of Jesus for the truth that is not being preached today in many churches then he will do so as Jesus said ask and you shall receive In many ways this book can be used as a guide to help Christians study the Word of God but it is not to replace the Word as many have and caused error in the church It also can be used in Sunday school as a tool to help teach students from teenagers to adults the truth of how God expects his children to live for him and have faith as the prophets of the Old Testament shows every one today *Prophecy Today*

Hermen Kroesbergen, 2016-08-01 In *Prophecy today reflections from a Southern African context* a group of theologians and scholars of religion from Zambia and South Africa reflects upon these questions Anthropologists Biblical scholars practical theologians and others shine their light on what prophecy can mean today in this context This book aims at stimulating a continuing Southern African discourse on this very interesting and relevant aspect of Christianity in our region The book consists of 15 different articles by well known scholars and has been ably compiled and edited by Dr Hermen Kroesbergen lecturer in Systematic Theology and Philosophy of Religion at Justo Mwale University Lusaka Zambia **The Prophet and His Message**

Michael James Williams, 2003 Studying the prophets writes Michael J Williams opens a window through which if we look carefully enough we may glimpse the entirety of God's redemptive plan In *The Prophet and His Message* Williams helps both students and lay persons expand their vision of the Old Testament from a prophetic perspective Rather than introduce each prophetic book Williams examines what a prophet is and does Israel's prophetic role Jesus as the ultimate prophet and the church's prophetic ministry today Book jacket *Handbook of the Old Testament Prophets* James Manthey, 2016-05-10 What do the Old Testament prophets have to say about Jesus Christ our salvation through Christ our relationship with God because of all that Christ has done for us They have much to say and this should be our focus Look everywhere here and you will find many hints of the Messiah the Meshiach as Hebrew pronounces the word The question may be asked Is there a way to present the great prophecies of the Bible in a way that causes us to grasp better the essentials and capture some of the beauty and majesty God's spokesmen must have felt when writing The Lord has moved me I believe to generate a format that displays the truths of Scripture in such a way With the Spirit's help our heightened curiosity will more likely bear fruit leading to further study and discussion My prayer is that the Spirit will work through the suggestions here to lead the reader to a place of self discovery going hand in hand with a closer relationship to Jesus

Miller, 1987 A carefully

organized step by step introduction to the books of the biblical prophets the men behind them their message and their relevance for today     A New Apostolic Reformation? R. Douglass Geivett,Holly Pivec,2018-07-25 This critique provides a framework for understanding and interpreting the widespread but little known New Apostolic Reformation movement As the authors state in the preface We write this book with two major goals in mind First to give people an idea of the sheer size and reach of the NAR movement And second to systematize its key teachings and practices and evaluate them on the basis of Scripture and careful reasoning In our judgment the NAR perspective crosses these boundaries that is certain broad parameters revealed in Scripture and practiced in the historical orthodox church and it does so in part because of flawed theology rooted in a flawed understanding of Scripture     The Prophetic (in Christ) Catherine Brown,2025-03-15 The Prophetic in Christ is a practical teaching book using the Scriptures what I have learned in 27 years of ministry in churches throughout the nations my experience as a mentor and discipler my experience as a founding director and team member of our ministry and my ministry knowledge as a servant apostle who teaches and preaches the Word of God and occasionally has dreams operates in discernment and prophecies I will be sharing teaching from Scripture ministry experience and testimonies and along the way we will examine in much more detail the gift of prophecy the culture of prophecy within the New Testament the role of New Testament prophecy and prophets and how prophets can work together with apostles and other fivefold ministry gifts Most importantly we will comprehend the importance of revelation which Apostle Paul defines separately from prophecy see 1 Corinthians 14:6 Through this process we will lay a foundation of Scriptural truth and Christological application that will help to bring the church into alignment with God's heart concerning the gift of prophecy It is supernatural The five offices or ascension gifts that Apostle Paul speaks of in Ephesians Chapter 4 verse 11 are given for the work of the ministry and to mature the church our greatest ministry here on earth is to know Christ and to make Christ known On this positive and thought provoking foundation let's take a deep dive in the Word together to re-examine old truths and establish new truth in Christ about the New Testament gift of prophecy and other gifts given by the Holy Spirit We will consider them in individual and corporate application as well as in the church and marketplace The Prophetic in Christ is a practical teaching book using the Scriptures what I have learned in 27 years of ministry in churches throughout the nations my experience as a mentor and discipler my experience as a founding director and team member of our ministry and my ministry knowledge as a servant apostle who teaches and preaches the Word of God and occasionally has dreams operates in discernment and prophecies I will be sharing teaching from Scripture ministry experience and testimonies and along the way we will examine in much more detail the gift of prophecy the culture of prophecy within the New Testament the role of New Testament prophecy and prophets and how prophets can work together with apostles and other fivefold ministry gifts Most importantly we will comprehend the importance of revelation which Apostle Paul defines separately from prophecy see 1 Corinthians 14:6 Through this process we will lay a foundation of Scriptural truth and Christological application that will help

to bring the church into alignment with God's heart concerning the gift of prophecy. It's supernatural. The five offices or ascension gifts that Apostle Paul speaks of in Ephesians Chapter 4 verse 11 are given for the work of the ministry and to mature the church. Our greatest ministry here on earth is to know Christ and to make Christ known. On this positive and thought provoking foundation let's take a deep dive in the Word together to re-examine old truths and establish new truth in Christ about the New Testament gift of prophecy and other gifts given by the Holy Spirit. We will consider them in individual and corporate application as well as in the church and marketplace. The Voice of God Cindy Jacobs, 2004-10-15. Many Christians question whether prophecy is still a valid gift in today's world. In this practical biblical examination of the gift of prophecy you'll get a clear picture of what prophecy is and how it works in the lives of individuals through personal prophecy and in entire churches and groups through corporate prophecy. *Old Testament prophecy, its witness as a record of divine foreknowledge. **Old Testament Prophets and Their Messages for Us Today** Drew Higgins, 2025-05-24. In the Old Testament prophecy stands as a central means by which God communicated His will, plans and purposes to humanity. This divine communication often came through chosen individuals called prophets who acted as intermediaries between God and His people. These men and women were set apart not by their personal ambitions or societal roles but by a divine calling to deliver messages with eternal significance. The Hebrew word for prophet *navi* is derived from a root meaning to call or to proclaim, signifying their role as those who announce God's message to others. Prophecy in the Old Testament was multifaceted, serving distinct yet interconnected purposes. Guidance: Prophets often acted as spiritual leaders who conveyed God's instructions to His people. These messages offered clarity and direction particularly during times of uncertainty or transition. For instance, Moses, one of the earliest and greatest prophets, guided the Israelites in the wilderness under God's direct instruction. Exodus 33:11. His prophetic role was not limited to delivering the Law but also included mediating God's covenant with Israel. **History and Ideology in the Old Testament Prophetic Literature** Antti Laato, 1996. In this study arguments are put forward for the thesis that biblical exegesis of the Old Testament prophetic literature is not a simple matter of interpreting texts but is also a process in which logical models or possible worlds are constructed to accommodate the validity of particular interpretations. The lack of a model theoretical orientation to Old Testament methodological approaches has led to a situation in which the criticism of particular theories rarely addresses the real points of disagreement between scholars. One theory is simply set against another even though the theories would be more effectively evaluated by discussing the validity and relevance of the different models in which they are framed. There are various plausible and relevant models available for the interpretation of Old Testament texts. In order to compare these different models a metalogical system Charles Sanders Peirce's semiotics has

been used throughout this study Many important methodological issues are discussed in this study a **Journal of Bible and Religion** ,1943 Includes section Book reviews **The Old Testament Prophets** Eric William Heaton,1977
