

Olli Pyyhtinen

Geoff Cooper, Andrew King

Olli Pyytinen:

More-than-Human Sociology O. Pyytinen, 2016-02-09 More than Human Sociology is a call for a bolder more creative sociology Olli Pyytinen argues that to make sociology responsive to life in the 21st century we need a new sociological imagination one that addresses connectivity understands the world in which we live as both a human and non human world and is sensitive to the multiple scales on which things exist A fresh and innovative take on the promise of sociology this book will appeal to scholars and students both within sociology and the social sciences more broadly [Waste as a Critique](#)

, 2025-02-11 Waste as a Critique reveals how waste in its manifold variety provides an innovative starting point for interrogating 21st century society Drawing on growing interdisciplinary concerns for discards it contextualizes waste in cultural symbolic historical spatial and political forms The contributions presented demonstrate the potential for waste as a revelatory lens through which the social world may be critically re examined and assessed This collection informs a novel critical waste based epistemology from which to challenge ingrained assumptions categorical inconsistencies and unconsidered outcomes in social practice and theory This is an open access title available under the terms of a CC BY NC ND 4 0 International licence It is free to read at Oxford Scholarship Online and offered as a free PDF download from OUP and selected open access locations

[The Gift](#) June Yap, Joella Kiu, Selene Yap, 2021-10-01 The Gift captures the Singapore segment of the curatorial project Collecting Entanglements and Embodied Histories Focusing on ideas of inter relation and exchange manifest in history geography and identity this catalogue features the works of 15 artists in an examination of how the act of giving is performed remembered and entangles Collecting Entanglements and Embodied Histories is a dialogue between the collections of Galeri Nasional Indonesia MAIIAM Contemporary Art Museum Nationalgalerie Staatliche Museen zu Berlin and Singapore Art Museum initiated by the Goethe Institut The exhibitions are curated by Anna Catharina Gebbers Grace Samboh Gridthiya Gaweewong and June Yap

New Directions in Relational Sociology, Volume Two Frédéric Vandenberghe, Christian Papilloud, 2026-01-01 This edited volume contains contributions from scholars from all over the world that outline their version of relational sociology situate it within the relational landscape and indicate how it might contribute to the development of a relational paradigm This book aims to open a variety of perspectives on relational sociology and to bring them into a fruitful frictional dialogue These chapters draw on the canonical authors of the relational turn present relational perspectives in the neighbouring disciplines integrate divergent approaches solve important conceptual problems articulate the relations between the core concepts of relational sociology and apply the relational perspective to subfields of sociology The first part of the book considers structuralism post structuralism and the new institutionalism The second part is concerned with the hard core of relational sociology and takes the work of Pierre Bourdieu and Harrison White in another direction The third part is the most innovative one and contains texts that add another turn to the relational turn The final part lifts the veil on non human relations and brings the Anthropocene to the fore

The Gift and Its Paradoxes Olli Pyyhtinen,2014 *Researching with Proximity* Outi Rantala,Veera Kinnunen,Emily Höckert,2023-10-26 This open access book presents a series of speculative experimental modes of inquiry in the present times of environmental damage that have come to be known as the age of the Anthropocene Throughout the book authors develop more nuanced ways of engaging with the environmentally vulnerable Arctic They counter distancing exoticising and even apocalyptic imaginaries of the Arctic by staying proximate with mundane places and beings of the north The volume engages and plays with familiar tourism concepts such as hospitality visiting difference care openness and distance while expanding the focus from binary and human centric approaches of hosts and guests to questions of wellbeing among multispecies communities The transdisciplinary group of contributors share a curiosity about how staying proximate may provide theoretical depth and epistemological openings to attend to current tensions and to diversify the ways we do and enact research Thus each chapter provides a methodological experiment with proximity developing diverse ways of envisioning and storying more than human worlds

The Simmelian Legacy Olli Pyyhtinen,2017-09-20 While Georg Simmel is widely known the impact of his work has been far from straightforward with the ways in which his ideas have been taken up by later thinkers as complex and diverse as the ideas themselves The Simmelian Legacy is a comprehensive study of the work of this influential sociologist and philosopher and its reception in the Anglophone German and French intellectual worlds By returning to Simmel and his legacy this text gives voice to a corpus of vast significance and great potential that has lived too much in the shadows It examines how his relational mode of thought transforms the landscape of sociological problems to subvert conventional conceptions of Simmel s oeuvre as well as of sociology s history It not only rediscovers key dimensions of Simmel s thought but also explores its gradual and uneven re emergence within subsequent scholarship This is an engaging and lucid intellectually illuminating and thoroughly accessible overview of the thought of one of sociology s key thinkers that will be essential reading for both scholars and students of sociology and social theory

Sociological Objects Geoff Cooper,Andrew King,2016-04-01 What are the aims of sociology What are its objects of study How relevant is the classical tradition to the practice of sociology today This volume brings together internationally renowned and new scholars to consider the changing relationship between contemporary and classical sociology Arguing that recent historical and theoretical developments make reconsideration timely it suggests that whilst the classical tradition has a continuing pertinence it is inevitably subject to ongoing reconfiguration Assessing the explanatory value of classical and contemporary forms of sociology interrogating social theory as both a form of explanation and a mode of practice and considering the possible consequences for the discipline of questions about its subject matter Sociological Objects steers a course between assertions about radical epistemological breaks on the one hand and reverence for the classical tradition on the other Rather it emphasizes the value of reworking reconsidering and reconfiguring sociological thought

Simmel Thomas Kemple,2019-07-12 Georg Simmel as well as being a major philosopher is one of the founding figures of sociology whose

work is comparable in importance to that of Marx Weber and Durkheim His writings on money metropolises and modernity have inspired generations of thinkers for over a century In this book leading expert Thomas Kemple clearly and accessibly introduces Simmel s sociological and philosophical work ranging from his masterpiece *The Philosophy of Money* to his famous essays *The Metropolis and Mental Life* and *Fashion* and beyond The author situates his writings within his social and intellectual circles and analyses them in light of current debates surrounding urban sociology and social networks phenomenology and metaphysics cultural criticism and the study of everyday life He brings Simmel s most famous works into conversation with others that have received less attention such as his writings on nature art religion and sexuality Through diagrams everyday examples and expositions of the work of his predecessors and contemporaries and successors this highly readable book captures the innovative spirit of Simmel s unique method of thinking about cultural objects and his original style of writing about social life Commemorating the 100th anniversary of Simmel s death it will be the leading guide to Simmel s thought for generations of students and scholars **In the Twilight of Social Structures** Pekka Räsänen,2003

Feminist Studies ,2013 *Qui Parle* ,2015 Digital Contagions Jussi Parikka,2007 *Digital Contagions* is the first book to offer a comprehensive and critical analysis of the culture and history of the computer virus phenomenon The book maps the anomalies of network culture from the angles of security concerns the biopolitics of digital systems and the aspirations for artificial life in software The genealogy of network culture is approached from the standpoint of accidents that are endemic to the digital media ecology Viruses worms and other software objects are not then seen merely from the perspective of anti virus research or practical security concerns but as cultural and historical expressions that traverse a non linear field from fiction to technical media from net art to politics of software Jussi Parikka mobilizes an extensive array of source materials and intertwines them with an inventive new materialist cultural analysis *Digital Contagions* draws from the cultural theories of Gilles Deleuze and Félix Guattari Friedrich Kittler and Paul Virilio among others and offers novel insights into historical media analysis Simmel and 'the Social' O. Pyyhtinen,2010-09-17 This book argues for the centrality of Georg Simmel s social theory to the relational and processual emphases that are often considered as much more recent developments in social theory Situating Simmel s work in particular with respect to New Vitalism and Bruno Latour s work the book shows that Simmel has still an enormous amount to contribute **Disruptive Tourism and its Untidy Guests** S. Veijola,J. Germann Molz,Olli Pyyhtinen,E. Hockert,Alexander Grit,Jennie Germann Molz,Emily Höckert,2014-09-30 This book invokes the radical potentialities of untidiness to envision alternative arrangements of social life and hospitality Instead of trying to manage sustainability or tidy up tourist situations the authors embrace the messiness of human relations and argue for more creative embodied and ethical ontologies of tourism and mobility *The Philosopher's Index* ,2009 Vols for 1969 include a section of abstracts The Anthem Companion to Georg Simmel Thomas Kemple,Olli Pyyhtinen,2016-10-01 The *Anthem Companion to Georg Simmel* brings together new interpretations of the work of this sociologist and philosopher The

companion highlights issues themes and concepts that most concern readers in social and cultural theory today with an emphasis on critical perspectives that show how Simmel's work is relevant interesting and significant for contemporary discussions and debates Also included in this volume is Austin Harrington's translation of selections from Simmel's book on Goethe and a comprehensive list of Simmel's work in English The Gift and Its Paradoxes Olli Pyyhtinen,2014 Bringing the Social Alive Olli Pyyhtinen,2008 **Opening the Black Box of Resourcification** Sami Rusthollkarhu,Jarmo Uusikartano,Lauri Alkki,Olli Pyyhtinen,2023 Currently the world is facing multiple severe challenges climate change pandemics and biodiversity loss all of which have raised critical resource questions To better understand the nature of resources this paper continues on the path set by resourcification studies examining resources as a complex and dynamic concept We theoretically deepen the resourcification basis by examining the uncharted resourcification process through which resources eventually become By drawing from new materialist and posthumanist thinking ecological psychology and processual relational sociology we present processual relational and socio material amendments to resourcification through three resource axioms 1 Resources are enacted in and through socio material relations that extend beyond the human 2 Resources are the results of coadjustments towards functionality 3 Resources are situated and temporally emergent The axioms are further validated and demonstrated with a case study focusing on concrete Finally we propose a definition for the resourcification process and discuss its implications for future resourcification studies

Yeah, reviewing a book **Olli Pyyhtinen** could ensue your near contacts listings. This is just one of the solutions for you to be successful. As understood, endowment does not suggest that you have wonderful points.

Comprehending as capably as promise even more than supplementary will manage to pay for each success. next to, the declaration as skillfully as sharpness of this Olli Pyyhtinen can be taken as skillfully as picked to act.

Olli Pyyhtinen Introduction

In today's digital age, the availability of Olli Pyyhtinen books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Olli Pyyhtinen books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Olli Pyyhtinen books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Olli Pyyhtinen versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Olli Pyyhtinen books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Olli Pyyhtinen books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Olli Pyyhtinen books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course

materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Olli Pyyhtinen books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Olli Pyyhtinen books and manuals for download and embark on your journey of knowledge?

FAQs About Olli Pyyhtinen Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What is the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Olli Pyyhtinen is one of the best book in our library for free trial. We provide copy of Olli Pyyhtinen in digital format, so the resources that you find are reliable. There are also many eBooks of related with Olli Pyyhtinen. Where to download Olli Pyyhtinen online for free? Are you looking for Olli Pyyhtinen PDF? This is definitely going to save you time and cash in something you should think about.
