On The Record The Scratch Dj Academy Guide:

On the Record Phil White, Luke Crisell, Rob Principe, 2009-04-14 In the three decades since Kool Herc first put the same record on two side by side turntables DJs have moved out of city parks house and block parties and the darkened booths of nightclubs and onto center stage performing before admiring crowds of thousands They have not only given rise to hip hop and house DJs have influenced fashion film TV and more With *On the Record Scratch DJ Academy* the premiere institution for DJ education brings together years of training and expertise to create an authoritative guide to the dynamic art of DJing More than just a how to this is a sonic adventure guiding you through forty years of music creativity and culture From beat matching to body tricks Grandmaster Flash to Fatboy Slim the Bronx to Ibiza *On the Record* is an all in one guide So whether you re learning the ropes considering going pro or just want insight into a broader range of music this book is for you

Groove Music Mark Katz, 2012-04-01 In *Groove Music* award winning music historian and aspiring turntablist Mark Katz weaves together the tales of DJs from all over the world united by the turntable the art of spinning discs and hip hop as he tells the story of how this new type of instrument musician and music conquered the globe Exhaustively researched and delightfully written any experienced or aspiring DJ hip hop fan or scholar of popular music will thoroughly enjoy *Groove Music* **Electronic Musician**, 2009 *Filipinos Represent* Antonio T. Tiongson Jr., 2013-07-01 The Hip hop Nation has been scouted staked out and settled by journalists and scholars alike Antonio T Tiongson Jr steps into this well mapped territory with questions aimed at interrogating how nation is conceptualized within the context of hip hop What happens Tiongson asks to notions of authenticity based on hip hop s apparent blackness when Filipino youth make hip hop their own Tiongson draws on interviews with Bay Area based Filipino American DJs to explore the authenticating strategies they rely on to carve out a niche within DJ culture He shows how Filipino American youth involvement in DJing reconfigures the normal boundaries of Filipinoness predicated on nostalgia and cultural links with an idealized homeland *Filipinos Represent* makes the case that while the engagement of Filipino youth with DJ culture speaks to the broadening racial scope of hip hop and of what it means to be Filipino such involvement is also problematic in that it upholds deracialized accounts of hip hop and renders difference benign Looking at the ways in which Filipino DJs legitimize their place in an expressive form historically associated with African Americans Tiongson examines what these complex forms of identification reveal about the contours and trajectory of contemporary U S racial formations and discourses in the post civil rights era *Future Music*, 2003 **The Publishers' Circular and Booksellers' Record**, 1917 **Will Smith** Lisa
