Summary of Caroline M. Myss's Anatomy Of The Spirit

Everest Media, 2022-03-09T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 The human energy field is a highly sensitive perceptual system that extends as far out as your outstretched arms and the full length of your body It is both an information center and a highly sensitive perceptual system The energy field carries emotional energy created by our internal and external experiences and it influences the physical tissue within our bodies 2 Positive images and the energy of positive experiences are also held in the energy field They are converted into matter by the brain and emotions are stored physically in our bodies and interact with our cells and tissues 3 The energy that is produced from our emotional and psychological states converts into biological matter through a highly complex process Each organ and system in the body is calibrated to absorb and process specific emotional and psychological energies 4 Intuitions are the result of the body's attempt to promote its own health and they are usually only concerned with the part of the body that is becoming weakened or diseased They transmit only the essential information to bring the conscious mind to an awareness of the imbalance or disease

The Anatomy of Spirit

Jack Lindsay, 1937 **Spiritual Physiology** Philip Sarpong, 2020-04-30 Have you ever wanted to dive deeper into your spiritual life but didn't know how We spend so much time and energy on our physical life that it is often easy to forget about our spirits Most people live malnourished spiritual lives at no fault of their own It's time to wake up your mind by understanding more about our physical body God left his fingerprints all over the human body the more we learn about our bodies the more we find out about him If you've ever been interested in a human physiology course this book breaks into the foundation of human physiology but applies it spiritually We can all grow our spirits in some way Often the more we learn about our souls the more we learn about ourselves God gave you a fantastic physical human body a temple that he created for you Your mind heart lungs liver kidneys all have their functions You do as well What's more beautiful than your body is the spirit he gave to you as well Use this book to get deeper into the spiritual world of the Bible but also use it to get deeper into yourself As anatomy is to your physical structure physiology is the function of different organs In this book we dive into the spiritual physiology of your nature In other words your spiritual function purpose and identity What is your goal How is your spirit

Why did God encase our spirits inside of a physical body All these questions and more will be analyzed and dissected in this book Spiritual Physiology
