pages **Talk for Writing Across the Curriculum, How to Teach Non-Fiction Writing to 5-12 Year Olds (Revised Edition)** Pie Corbett, Julia Strong, 2020-08-26 This bestselling resource has been fully updated putting formative assessment at the heart of the Talk for Writing process and showing how to help children love writing across the curriculum. By helping children speak the language of non fiction in a fun engaging way before they attempt to write the Talk for Writing approach builds children's confidence and linguistic ability enabling them to craft their own writing. In the new edition this practical resource offers Fully worked tried and tested examples of how to apply Talk for Writing to each non fiction text type. A wide range of fun activities helping children internalise how to express and link text effectively. A process that co constructs learning so that children learn how to structure text and create toolkits of key ingredients. Guidance for teachers in England on how to apply the approach across the primary curriculum. An OLC including new footage of Pie Corbett demonstrating Talk for Writing and new footage of classes engaged in the approach. Advice on how to use the DVD and handouts to train all staff in the approach. Evidence of impact from cold to hot tasks. Designed for busy teachers Talk for Writing across the Curriculum second edition will help transform children's writing and attainment across the curriculum. This book celebrates the importance of talk in becoming and growing as a writer talk to share ideas talk to analyse text talk to co construct writing and to talk to evaluate writing. Throughout the book constantly underlines the importance of talk for learning and the many creative and rich ways talk can be used to help young writers internalise the rhythms and patterns of text. Full of practical ideas and activities the teaching combines being creative and being critical in a wholly integrated way. An invaluable resource for primary school teachers. Debra Myhill Professor of Education at the University of Exeter UK. The teaching of reading has always taken priority in policy and practice in literacy. Pie Corbett and Julia Strong have produced a very welcome counterweight to that dominance in their Talk for Writing Across the Curriculum. It is so refreshing to see suggestions for teaching to bring elements of language together especially when done in such an entertaining and engaging way as this. This new edition makes a classic even better. David Wray Emeritus Professor University of Warwick UK. This latest update of Pie and Julia's best selling book reflects changes in the curriculum strengthening the T4W approach using cold and hot tasks showing new worked examples of how to apply T4W to each non fiction type and placing formative assessment at the heart of the process. It is exciting to see how all the best ideas and findings in education are converging evidenced in this latest up to the minute excellent publication. Dynamic Media Bob Connolly, 2007 Flash animation, music and videos, virtual reality, 3D and more in a PDF. Yes! Acrobat documents converged with audio, video and interactive content. It's the wave of the future and it's called rich media. Do you want to get your video and audio content out into the world in a more convenient way than on the Web? Are you looking for a way to share rich media content with the broadest possible range of readers? Print publishers, advertisers, educators and anyone else who's ready to leverage the power of PDF and Adobe Reader can benefit from learning about the possibilities of this new convergence technology. In the first book of its kind, rich media PDF pioneer Bob Connolly presents an eye-opening overview of the world of PDFs that contain video, audio and interactive elements. Dozens of case studies illustrate the nearly limitless potential of rich media. And the best part about the book is that it practices what it preaches with a fully interactive rich media version of the book on the accompanying CD-ROM. Readers can experience first hand the power of rich media PDFs through interactive animation, videos and audio. Walk through the process of constructing rich media PDFs on the fly using a Web server. Learn which applications work together for building rich media PDFs and which don't. See how some of the world's most forward-thinking artists and designers are pushing the boundaries with rich media PDFs. Learn why PDF documents are more compelling than Web sites for reaching your target audience. Understand how best to translate print material into online PDF documents.
