### Grocery Store

People shop at the grocery store to purchase things they need to live. Customers buy food, beverages, cleaning products, and much more at the grocery store. Many important community helpers work at the grocery store. The butcher cuts and prepares meat for us to eat. The baker makes bread, cookies, and cakes. The cashier checks out customers who are ready to pay for their groceries. Other grocery store workers help clean the store, stock the shelves, bag groceries, and gather the shopping carts. The many different community helpers at the grocery store work hard to make sure we have the food and products we need in our everyday lives.
