Walmart Best Customer Service:

Walmart in China Anita Chan, 2011-11-15 Walmart and Made in China are practically synonymous Walmart imports some 70 percent of its merchandise from China Walmart is now also rapidly becoming a major retail presence there with close to two hundred Walmarts in more than a hundred Chinese cities What happens when the world's biggest retailer and the world's biggest country do business with each other In this book a group of thirteen experts from several disciplines examine the symbiotic but strained relationship between these giants The book shows how Walmart began cutting costs by bypassing its American suppliers and sourcing directly from Asia and how Walmart's sheer size has trumped all other multinationals in squeezing procurement prices and as a by product driving down Chinese workers wages China is also an inviting frontier for Walmart's global superstore expansion As China's middle class grows the chain's Western image and affordable goods have become popular Walmart's Arkansas headquarters exports to the Chinese stores a unique corporate culture and management ideology which oddly enough are reminiscent of Mao era Chinese techniques for promoting loyalty Three chapters separately detail the lives of a Walmart store manager a lower level store supervisor and a cashier Another chapter focuses on employees wages voluntary overtime and the stores strict labor discipline In 2006 the official Chinese trade union targeted Walmart which is antilabor in its home country and succeeded in setting up union branches in all the stores Walmart in China reveals the surprising outcome

Emotional Intelligence for Emerging Leaders and Entrepreneurs - Illustrating the Fortune Giants Sehba Husain, 2014-07-16 Emotional Intelligence for Emerging Leaders and Entrepreneurs Illustrating the Fortune Giants is an attempt to investigate the significant importance of Emotional Intelligence for business organizations especially that are emerging ones It illustrates most successful Fortune 500 global corporations as to how they have used emotional intelligence as an important strategic focus to achieve their bottom line These pioneer companies do not confine to use EI in managing their employees and customers but also use EI based initiatives to engage and satisfy all their direct and indirect stakeholders The book strives to enable leaders and entrepreneurs to develop the perspectives around strengths of emotional intelligence and its application to devise most powerful strategies Number of models and frameworks have been developed over the years and are included in this book It is manifested that EI does not only address the behavior related issues but also empowers leaders to manage other functions in business organizations Efforts made throughout this project are expected to provide whole lot of different insights in the areas of leadership performance productivity behavior and overall effective management of business
