Old Testament Wisdom:

Old Testament Wisdom James L. Crenshaw, 1998-01-01 When Old Testament Wisdom appeared in 1981 new perspectives on biblical theology an increasing awareness of ancient Near Eastern texts resembling biblical wisdom and an emerging interest in ethnic proverbs were mere intimations of what was to become a dramatic outpouring of scholarship on wisdom literature. In this expanded edition James Crenshaw takes stock of the wealth of new material produced by contemporary interpreters. Liberation and feminist critics scholars in comparative religion specialists in devotional theology and researchers exploring educational systems in the ancient Near East all have enriched our understanding of wisdom literature in recent years and all receive insightful treatment in this new volume. Now as before Crenshaw's Old Testament Wisdom is an invaluable asset for anyone wishing to understand the rich and complex legacy of wisdom literature. **Old**
