**Payoff A Mindspace Investigations Novella A Penguin Special From Roc:**

**Payoff** Alex Hughes,2013-03-05 Being a telepath I should have seen the hell I was getting myself into I used to be one of the most powerful telepaths in the guild That was before my drug addiction and before they kicked me out But I m not a bad guy Now I help the Atlanta PD solve murders And even though there are only a few people I call friends I d do most anything to keep their trust So when a judge asks me to help investigate a missing college kid I m down for it No questions asked No problem But in this dark world things are never easy and a favor is never just a favor Turns out politicians don t like being murder suspects And it s bad to anger someone with more power than you I thought I had nothing to lose I was wrong Includes a preview of Alex Hughes s Sharp

**Vacant** Alex Hughes,2014-12-02 Nothing ruins a romantic evening like a brawl with lowlifes especially when one of them later turns up dead and my date Detective Isabella Cherabino is the 1 suspect My history with the Atlanta PD on both sides of the law makes me an unreliable witness so while Cherabino is suspended I m paying my bills by taking an FBI gig I ve been hired to play telepathic bodyguard for Tommy the ten year old son of a superior court judge in Savannah presiding over the murder trial of a mob connected mogul After an attempt on the kid s life the Feds believe he s been targeted by the businessman s associates Turns out Tommy s a nascent telepath so I m trying to help him get a handle on his Ability But it doesn t take a mind reader to see that there s something going on with this kid s parents that s stressing him out more than a death threat
