Hodgson,2013-08-06 The first step in a challenging journey is often the one that means the most Though it means saying goodbye to the beloved friends and spiritual mentors of her St Charles Missouri quilting circle Anna Goben is certain that she needs to enlist her family in the Boones Lick Company wagon train The loss of her beloved brother in the Civil War has paralyzed her mother and grandfather in a malaise of grief and depression and Anna is convinced that only a fresh start in the Promised Land of California can bring her family back to her Although the unknown perils of the trail west loom Anna s commitment to caring for her loved ones leaves no room for fear or even loving someone new During the five month journey

trail hand Caleb Reger plans to keep a low profile as he watches over the band of travelers Guarding secrets about his past and avoiding God's calling on his life Caleb wants to steer as far from Anna as she does him but she proves to be just as he assessed her from the beginning independent beautiful trouble Led by a pillar of hope the group faces rough terrain that begins to take a toll on their spirits Will the wilderness of suffering lead them astray or will the gentle song of love that echoes across the prairie turn their hearts toward God's grace and the promise of a new home Dandelions on the Wind Mona Hodgson,2013-02-19 Tattered relationships and broken hearts like a quilt can be pieced together by God's love When Maren Jensen took a job on Elsa Brantenberg's St Charles Missouri farm she never expected to call the place her home As she grows to love Mrs Brantenberg and her granddaughter Gabi Maren is transformed from a lonely mail order bride without a groom to a beloved member of the Brantenberg household But when Gabi's father Rutherford Wooly Wainwright returns to the farm unexpectedly everything changes for Maren Despite the failing eyesight that caused her suitor to reject her she can see that Wooly desperately needs to reconnect with the family he abandoned when his grief sent him running toward the army and into the Civil War She also senses there could be something more between the widower and herself if either can move beyond their past hurts Comforted and counseled by the wisdom of the women in her beloved quilting circle Maren begins to discover the cost such decisions demand of her heart Are her choices in obedience to God or is she running from His plan Is it too late for love to be stitched into the fabric of her life **Books and Pamphlets, Including Serials and Contributions to Periodicals** Library of Congress.
