The Adventures of Sherlock Holmes Sir Arthur Conan Doyle, 1899

The Memoirs of Sherlock Holmes Illustrated Arthur Conan Doyle, 2019-06-22 *The Memoirs of Sherlock Holmes* is a collection of Sherlock Holmes stories originally published in 1893 by Arthur Conan Doyle. Doyle had decided that these would be the last collection of Holmes's stories and intended to kill him off in "The Final Problem." Reader demand stimulated him to write another Holmes adventure, "The Hound of the Baskervilles." In "The Return of Sherlock Holmes," Holmes relates the aftermath of "The Final Problem" and how he survived. The first London edition of the *Memoirs* in 1894 did not include "The Adventure of the Cardboard Box" although all twelve stories had appeared in the *Strand Magazine*. The first U.S. edition included the story but it was very quickly replaced with a revised edition that omitted it. The reasoning behind the suppression is unclear. In Britain, the story was apparently removed at Doyle's request as it included adultery and so was unsuitable for younger readers. This may have also been the cause for the rapid removal of the story from the U.S. edition, and some sources specify that the publishers believed the story was too scandalous for the American public. As a result, this story was not republished in the U.S. until many years later when it was added to *His Last Bow*. Even today, most American editions of the canon include it with *His Last Bow*, while most British editions keep the story in its original place in *The Memoirs of Sherlock Holmes*. Additionally, when the story was removed from the *Memoirs*, its opening pages, where Holmes emulates Dupin, were transferred to the beginning of "The Adventure of the Resident Patient." In some later U.S. editions of the *Memoirs*, which still omit "The Adventure of the Cardboard Box," this transfer still appears.

The Return of Sherlock Holmes Illustrated Sir Arthur Conan Doyle, 2021-04-18 *The Return of Sherlock Holmes* is a collection of 13 Sherlock Holmes stories originally published in 1903-1904 by Arthur Conan Doyle. The stories were published in the *Strand Magazine* in Great Britain and Collier's in the United States.

His Last Bow (Sherlock Holmes #7) Illustrated Sir Arthur Conan Doyle, 2021-04-22 *His Last Bow* is a collection of seven Sherlock Holmes stories, eight in American editions by Arthur Conan Doyle, as well as the title of one of the stories in that collection. Originally published in 1917, it contains the various Holmes stories published between 1908 and 1913, as well as the one-off title story from 1917. The collection was originally called *Reminiscences of Sherlock Holmes* and did not contain the actual story *His Last Bow*, which appeared later after the full-length *The Valley of Fear* was published. However, later editions added it and changed the title. Some recent complete editions

have restored the earlier title When the Memoirs of Sherlock Holmes were published in the USA for the first time the publishers believed The Adventure of the Cardboard Box was too scandalous for the American public since it dealt with the theme of adultery As a result this story was not published in the USA until many years later when it was added to His Last Bow Even today most American editions of the canon include it with His Last Bow while most British editions keep the story in its original place in The Memoirs of Sherlock Holmes
