Lowes Nba Preseason How To:

Sugar Charley Rosen, 2018-04 The 1980s were arguably the NBA's best decade giving rise to Magic Johnson, Larry Bird, and Michael Jordan. They were among the game's greatest players who brought pro basketball out of its 1970s funk and made it faster, more fluid, and more exciting. Off the court, the game was changing rapidly too, with the draft lottery, shoe commercials, and a style driven largely by excess. One player who personified the eighties excess is Micheal Ray Richardson. During his eight year career in the NBA 1978-86 he was a four time All Star, twice named to the All Defense team, and the first player to lead the league in both assists and steals. He was also a heavy cocaine user who went on days long binges but continued to be signed by teams that hoped he'd get straight. Eventually he was the first and only player to be permanently disqualified from the NBA for repeat drug use. Tracking the rise, fall, and eventual redemption of Richardson throughout his playing days and subsequent coaching career, Charley Rosen describes the life defining pitfalls Richardson and other players faced and considers key themes such as off court and on court racism, anti-Semitism, womanizing, allegations of point shaving within the league, and drug and alcohol abuse by star players. By constructing his various lines of narration around the polarizing figure of Richardson, equal parts basketball savant, drug addict, and pariah, Rosen illuminates some of the more unseemly aspects of the NBA during this period, going behind the scenes to provide an account of what the league's darker side was like during its celebrated golden age.

The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and gripping novel that will keep you wondering until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
