*Sometimes I Forget* Julie Sunne,2024-05-07 *Sometimes I Forget* invites us to know God more intimately so we can trust Him more deeply providing 60 devotionals centered on the attributes of God      **The Attributes of God Volume 2** A. W. Tozer,2007-02-14 The most important question we can ask For A W Tozer there is no question more important than What is God like The desire to know God consumed his entire life and ministry That s why those who read him come to know God more intimately Originally preached as sermons to the Avenue Road congregation in Toronto this follow up to *The Attributes of God Volume 1* examines ten more attributes of God It also includes a study guide for an in depth look at each attribute Self Existent Transcendent Eternal Omnipotent Immutable Omniscient Wise Sovereign Faithful Loving Steeped in Scripture and filled with the Spirit Tozer preached with striking clarity and power The sense of his sermons comes through on every page bringing the Word of God to bear upon you      **The British Study Edition of the Urantia Papers Book [eReader PDF]** Edited by Tigran Aivazian,2011-01-01 The British Study Edition of the Urantia Papers is based on the standard SRT text but uses the metric system and adds a critical apparatus of textual variants and study notes      [The Return of Oral Hermeneutics](#) Tom Steffen,William Bjoraker,2020-05-01 Have Western exegetes turned an Eastern book into a Western one Has our fondness for a fixed printed text capable of being analyzed with precision and exactitude blinded us to other hermeneutic possibilities Does God require all people to be able to analyze grammar to interpret Scripture Does God assume all people can interpret Scripture through oral means The authors recognize the effects of centuries of literacy socialization that produced a blind spot in the Western Christian world the neglect by most in the academies agencies and assemblies of the foundational and forceful role orality had on the biblical text and teaching From the inspired spoken word of the prophets including Jesus pre text to the elite literate scribes who painstakingly hand printed the sacred text to post text interpretation and teaching the footprint of orality throughout the entire process is acutely visible to those having the oral aural influenced eyes of the Mediterranean ancients Could oral hermeneutics be the mother of relational theology      **The Attributes of God Volume 1** A. W. Tozer,2007-02-14 The most important question For A W Tozer no question is more important than What is God like The desire to know God consumed his entire life and ministry That s why those who read him come to know God more intimately Originally preached as sermons at Southside Alliance Church in Chicago this first volume of *The Attributes of God* examines ten attributes of God It also includes a study guide for an in depth look at each attribute Infinite Immense Good Just Merciful Gracious Omnipresent Immanent Holy Perfect Steeped in Scripture and filled with the Spirit Tozer preached with striking clarity and power The sense of his sermons comes through on every page bringing the Word of God to bear upon you If a sermon can be compared to light then A W Tozer released a laser beam from the pulpit a beam that penetrated the heart Warren Wiersbe former pastor of The Moody Church      **Relationship Is the Transformative Space** Darryl Wooldridge,2016-02-09 This book affirms relationship as the shared human elemental pursuit and proposes

relationship as the transformative space Wonderfully the author asserts it is God's intention to fulfill this intrinsic human desire in the present in all of us and universally This desire is an often inarticulate innate desire and pursuit to enjoy and reflect the divine image in which every human being was created In this book this pursuit is referred to as proleptic spiritual transformation Pr ST That is this book demonstrates that what is too often relegated to eternity is available now Relationship is the Transformative Space considers God's heart in relationship and its implication toward human spirituality and how this intent has been interrupted and restored God is actively interested in the recovery of a fully expressed image in humanity

A.W. Pink,2021     The Attributes of God Volume 1 A. W. Tozer,David E. Fessenden,2007 Often quoted by Chuck Swindoll  
Charles Stanley Billy Graham and other great preachers A W Tozer's words are being heard and read by millions today words  
like Origin is a creature word All things have an origin But when you come back to God you come back to the One who has  
not origin He is the Cause of all things the uncaused Cause God is Transcendent You'll never find Him on your own He is far  
away in one sense but in another He is as near as your heartbeat for the cross has bridged the gulf If there is anything God  
could learn it would mean that God didn't know it before If he didn't know it before then He didn't know everything He  
wouldn't be perfect and if He isn't perfect then He isn't God The chapters of this book were originally preached as sermons  
at Avenue Road Church in Toronto ON Whether spoken or written Tozer's words were designed to promote personal heart
