*The Revelation of Jesus Christ* Jon Scott Birch, 2022-09-21 The testimony of Jesus is the spirit of prophecy Rev 19 10 and a prophetic perspective promotes purpose Yet in a world swiftly growing callous true purpose and meaning are fading Many of Jesus disciples today have lost their first love which is Jesus himself Rev 2 4 And too many souls overall miss the wonder inspiration and comfort gained by those who would endeavor toward fuller comprehension of the book of Revelation Blessed are they who read and those who hear the words of this prophecy and keep those things which are written in it for the time is near Rev 1 3 Neglect of the Holy Spirit slothfulness fear and the ongoing confusion generated by competing interpretations and bad theology are the primary obstacles between an individual and the liberation to be had by reading the last book of the Bible We must not forget that while the apostle John wrote the book of Revelation its author is Jesus Christ and he is not an author of confusion but of peace 1 Cor 14 33 This commentary presents a practical discipleship based perspective toward following Jesus into the very heart of his Revelation So as the end of this clamorous age approaches may we truly hear what the Spirit is saying to the churches

**Leaving Left Behind** Mike Wilson, 2021-01-19 Positive psychologists have proven that positivity leads to success but most Christians in America have chosen to believe a single eschatological theory that leads to pessimism and cynicism Pessimistic Christians put themselves in Christian bubbles and focus on self preservation and when a mind is clouded by negativity interpretations of biblical prophecy lean toward the pessimistic possibilities The fantastic writing of the Left Behind books has popularized premillennial dispensationalism with good intentions but that interpretation of biblical prophecy teaches that sinfulness will continually increase until Jesus throws up his hands in disgust and secretly raptures worthy Christians leaving behind unworthy sinners to suffer the wrath of the antichrist Teaching that questionable theory

produces negativity that hinders the Christian mission When Christians believe that they cannot succeed in leading most of the world to Jesus they will fail to put in the effort that success would require Jesus on the other hand taught his followers that nothing will prevail over his church and that teaching inspired them to sacrifice everything for the Christian mission This is not a promise of prosperity without effort or of inevitable success but biblical positivity is an energizing force that will help Christians flourish

Who Is This Jesus? Michael Green,2007-07 These days most people will grant that Jesus Christ was a great teacher who lived in a corner of the old Roman empire Most also welcome his teachings as a sound basis for civilization But what difference does that make now Why has a whole religion been built on this person What did he actually say and do And how can we trust the written records about him This fast moving highly readable book introduces Jesus of Nazareth honestly and openly with no prior knowledge assumed Michael Green is the highly respected author of more than fifty books He has been Principal of St John s College Nottingham Rector to St Aldate s Church Oxford and Professor of Evangelism and New Testament at Regent College Vancouver He now serves as Senior Research Fellow at Wycliffe Hall Oxford University

Jesus Christ Maurizio Gronchi,2013 **The Unknown Life of Jesus Christ** Nicolas Notovitch,2012-06 There is much speculation about where and how Jesus spent his twenties The bible does not tell us anything about his life during this time This book by the Russian doctor Nicolas Notovitch is the source of the idea that he might have spent this time in India The book contains a travelogue of the author s trip through India Whilst convalescing from a broken leg an ancient manuscript is read to him about Issa The manuscript allegedly tells of Jesus Issa as he treks through India studying the Vedas and Buddhism before he returns to Israel and take up his ministry as it is described in the bible Even though the authenticity or indeed the existence of the manuscript has never been proven the rumours of St Issa have refused to die **Jesus, A Visual**

**The Person and Place of Jesus Christ** P T. Forsyth,1970 **The Unknown Life of Jesus Christ** Nicolas Notovitch,2018-05-24 After the Turkish War 1877 1878 I made a series of travels in the Orient From the little remarkable Balkan peninsula I went across the Caucasus to Central Asia and Persia and finally in 1887 visited India an admirable country which had attracted me from my earliest childhood My purpose in this journey was to study and know at home the peoples who inhabit India and their customs the grand and mysterious arch ology and the colossal and majestic nature of their country Wandering about without fixed plans from one place to another I came to mountainous Afghanistan

whence I regained India by way of the picturesque passes of Bolan and Guerna Then going up the Indus to Raval Pindi I ran over the Pendjab the land of the five rivers visited the Golden Temple of Amritsa the tomb of the King of Pendjab Randjid Singh near Lahore and turned toward Kachmyr The Valley of Eternal Bliss Thence I directed my peregrinations as my curiosity impelled me until I arrived in Ladak whence I intended returning to Russia by way of Karakoroum and Chinese Turkestan One day while visiting a Buddhist convent on my route I learned from a chief lama that there existed in the archives of Lhasa very ancient memoirs relating to the life of Jesus Christ and the occidental nations and that certain great monasteries possessed old copies and translations of those chronicles As it was little probable that I should make another journey into this country I resolved to put off my return to Europe until a later date and cost what it might either find those copies in the great convents or go to Lhasa a journey which is far from being so dangerous and difficult as is generally supposed involving only such perils as I was already accustomed to and which would not make me hesitate at attempting it
