Towns, 2010-02-12 Elmer Towns's Fasting for Spiritual Breakthrough has become must reading as this powerful spiritual discipline of fasting has seen a revival among followers of Christ Now Towns digs deeper into one of the most popular forms of fasting today the Daniel Fast With an emphasis on a healthy simple diet the Daniel Fast is named after the prophet Daniel who participated in a partial fast for spiritual purposes Daniel was taken captive into Babylon when he was sixteen years old The Babylonian king wanted the young prophet to help him administer his rule over the captive Jews and he wanted to Babylonize Daniel to make the young man of God more like him The first step the king took in his campaign was to provide a sumptuous feast to tempt Daniel food fit for a king basically fattening comfort foods In response the prophet refrained from the king's table choosing instead to eat only vegetables and to drink only water He honored God over the king Dr Elmer Towns introduces readers to the spiritual physical and mental basics of the Daniel Fast coaching them through either a ten-day or twenty-one-day period of renewal and he includes original Daniel Fast recipes created by executive chef John P. Perkins Dr Towns addresses practical questions such as what to eat and when as well as how to pray effectively Readers will learn how to encounter God during their fast how to worship through self-discipline and how to pray for specific answers They will also explore the role of weeping repentance and spiritual warfare in their life of faith Daniel is a model to God's people of someone who chooses spiritual nourishment over bodily satisfaction in The Daniel Fast for Spiritual Breakthrough God's people can learn to follow his example *Daniel Fast Cookbook* Amy McIntosh, 2014-03-03 Daniel Fast Cookbook

**Daniel Fasting**

Why should we fast? The objective of fasting should be to take off our eyes from the worldly things and rather focus on the God. Fasting is a way to demonstrate to ourselves and to God that we are serious about our relationship with Him. Fasting helps us to gain a renewed reliance and a new perspective of God. What can we have to fast from? Although fasting in Scripture almost always means a fasting from food, there are other ways for fasting. Anything that we can give up temporarily to focus on God better can be considered a fast. Some people might not be able to fast from food such as diabetics, but every person can give up something temporarily to focus on the God. Example: TV, Caffeine, Smoking, etc.

What fasting is not: Fasting is not intended for punishing our flesh but for focusing on God. Fasting should not be considered as a dieting method; do not fast for losing weight but instead to gain a deeper association with God. Fasting is not a means to get the God in order to do what we want; fasting will change us, not the God. How to fast: attitude. Fasting is to be done with a spirit of modesty and joyful attitude. We should not appear depressed when we fast or boast about the length of fast. Fasting is not to show off but to afflict our soul in order that our Father in the heaven will answer our prayer. We should spend as much time in meditation, prayer, and reading the Word as possible. It is important for drawing greatly on the strength of Lord during our fast.
