It is fast, flexible, and it comes with batteries included. Most of the books you read about Python will teach you the language basics, but once you've learnt them, you're on your own in designing your application and discovering best practice. In this book, we'll see how you can leverage Python to efficiently tackle your problems and build great Python applications.

The Divorce Hacker's Guide to Untying the Knot Ann E. Grant, JD, 2018-08-20 The best guide for protecting yourself through divorce. Family law attorney Ann Grant presents the practical information every woman needs to protect herself as she navigates through a divorce. Feelings of loss, grief, and rage are common during divorce. But one of the most debilitating feelings experienced by women going through divorce is paralyzing impotence. Grant will help you take back your power and rights concerning finances, home, children, and work life. With compassion, insight, and tough-minded realism, she breaks down the process and provides step-by-step assessments, checklists, and inspiring stories of successful lives post-divorce. Her goal is to give you insider information that will not only make your divorce successful but also establish your life firmly and confidently on a positive, fresh new standing.
