Mindful Media: Mental Health Challenges in the Digital Age Dr. Arun Kumar, Anchal Sharma, 2024-09-20 In today's fast paced digital world where social media updates, news alerts, and a deluge of digital content vie for our attention, the profound impact on our mental well-being cannot be overstated. *Mindful Media: Navigating Mental Health Challenges in the Digital Age* dives deep into the psychological effects of our digital habits, shedding light on issues such as anxiety, depression, and addiction that can stem from our relationship with media. Backed by extensive research, personal narratives, and expert insights, *Mindful Media* offers a nuanced understanding of how our digital behaviors can shape our mental health. This book provides practical strategies and actionable advice to empower readers to navigate their digital lives with greater mindfulness and intentionality. By fostering a conscious approach to media consumption, the book helps individuals reclaim control over their well-being in the digital age. Furthermore, it emphasizes the importance of cultivating a balanced digital environment that promotes mental health. Through compelling case studies and real-life examples, the book vividly illustrates how digital media can either harm or heal, depending on how it is utilized.

Electronic Word of Mouth as a Promotional Technique Shu-Chuan Chu, Juran Kim, Charles R. Taylor, 2020-04-17 Recent years have seen digital advertising grow to the point where it will soon overtake television as the no. 1 advertising medium. In the online environment, consumers interact and share their thoughts on brands and their experiences using them. These electronic word-of-mouth (eWOM) communications have become a very important factor to the success of products. In today's cluttered environment, it is especially important to study how the practice of eWOM advertising operates and how marketers can influence eWOM in social media and other online sites. This volume starts with a chapter on the current state of knowledge on eWOM and then turns its attention to current research articles on a variety of eWOM formats. These include the posting of selfies on social media, the influence of review types on consumer

perception and purchase intention the effects of preannouncement messages and how user generated content can be used to induce effectiveness of eWOM on social media The relationship of eWOM to brand building is emphasized in several of the chapters This book was originally published as a special issue of the International Journal of Advertising Health Promotion for Nursing Associates Gillian Rowe, Deborah Gee, Ami Jackson, 2021-12-15 Promoting health and preventing ill health is central to your role as a nursing associate Written in clear language and full of examples from practice this book introduces all aspects of health promotion that you need to know Covering essential topics such as health inequality and mental health promotion the book develops your knowledge and skills in health promotion at the individual community and population level Key features o Fully mapped to the 2018 NMC standards of proficiency for nursing associates o Case studies activities and insights from real TNAs illustrate health promotion in different settings across all fields of nursing o Focussed specifically on the requirements of the nursing associate role helping you to develop into a confident professional practitioner
