## **Papal Sin Structures Of Deceit:**

Papal Sin Garry Wills,2000 Chronicles the history of the Catholic Church and its hierarchy from the nineteenth century to the present focusing on the Church's devious practices and stubborn resistance to the truth *The Roman Catholic Church - A Critical Appraisal* Hendrick Park,2008-03 The Roman Catholic Church is the largest denomination with 1.1 billion adherents Recently the pope Benedict XVI reasserted that the Catholic Church is the only true church founded by Christ Today there is a pervasive indifference as to the question what is the true Christianity This is a serious situation because there are numerous false or only partly true versions of Christianity The author of this book attempts a critical appraisal of the Roman Catholic Church by the criteria of the Bible and history The conclusion he reached is that the Catholic Church is a perversion of the Christianity of the New Testament The author believes that he has substantiated the proposition that there are many unbiblical pagan elements in the Church To give one example the monarchical papacy and the authoritarian church structure developed after the model of the authoritarian government of the ancient Roman Empire No wonder that its official name is the Roman Catholic Church A theologian and a minister Received a doctorate in systematic theology from the University of Toronto He did the ministerial work for 17 years in the United Church of Canada Took early retirement in 1990 to study and write books which is he feels the talent and his main vocation he has received from God He respects the Bible as containing the revealed word of God According to the prophets of God justice and mercy and the pure preservation of the true religion of God are God's two major concerns He believes that God's major concerns should be all Christians major concerns as well The Roman Catholic Church A Critical Appraisal was written from that perspective in order to attest to the true religion of God and to keep Christians from heading onto the wrong path

**Practicing Catholic** James Carroll,2009 A landmark biography of American belief and an exhilarating blueprint for the millions who value their faith over the misused authority of religious leaders Book jacket **Pius XII, the Holocaust and the Revisionists** Patrick J. Gallo,2010-06-28 When Cardinal Eugenio Pacelli became Pope Pius XII in 1939 the Nazis had invaded Austria and Czechoslovakia and were poised to strike Poland Jews and other minorities were already being sent to concentration camps and the world was on the verge of another horrific war The prevailing historical interpretation of the era was that Pius XII had a stated anti Nazi and anti Fascist policy he tried to bring an end to the persecution and gave aid and comfort to those who were persecuted Revisionist views however portray Pius XII as a silent passive individual who ignored the treatment of Jews Christians and other minorities a man who could have stopped the holocaust and didn't Through a series of articles and essays the editor and eight contributors critique the works of revisionists who allege that Pius XII was sympathetic to the Nazis or unresistant to their atrocities The essays discuss the roots of these views in the relentless Nazi and communist propaganda of the era and the debate's revival after a 1960s stage play portrayed the pope as a leader afraid to speak out By bringing intellectual rigor and responsibility to the issue this work makes a solid contribution to the history of the papacy and to the biography of Pius

**XII A Corrupt Tree: An Encyclopaedia of Crimes committed by the Church of Rome against Humanity and the Human Spirit** A.S.,2014-01-13 A Corrupt Tree is a unique extensively researched four volume expos of the dark side of the Church of Rome It reveals that for nearly two thousand years the Church s fundamental characteristic has been its self serving abuse of religio corporate power A large proportion of this first volume provides a detailed catalogue of the multitude of unholy popes Included are those who were immature capricious corrupt lascivious fanatical senile truly mad megalomaniac tyrannical murderous and wholesale killers It confirms that for many many centuries the popes were corrupt cruel inhumane and despotic In an age of savagery they were the leaders in barbarity in the subsequent age of enlightenment they have persistently resisted the march of progress Additionally the popes were wholesale killers who made the principle of assassination a law of the Christian Church Accordingly the Church has shed more innocent blood than any other institution that has ever existed among mankind Here also are presented the cupidity corruption and sexual misconducts of lesser ecclesiastics including cardinals bishops priests monks and nuns Pope Honorius III for example described his priests as worse than beasts wallowing in their dung The Church s ruthless stranglehold on knowledge and learning is catalogued in detail Mathematics philosophy and science were repressed Selected applied theology ruled the world Everything was explained but nothing was understood The chapters on censorship reveal that even works of considerable literary or philosophical merit did not escape A large number of writings which eventually became classics of European culture were condemned and prohibited The Church also exhibited a vitriolic hatred of those who translated the Bible into the vernacular Many of these men were annihilated Holy books were burned in large numbers particularly the Jewish Talmud It is clearly demonstrated that the Church held back civilisation for over fifteen hundred years Century after century passed away and left the peasantry but little better than the cattle in the fields Finally the unholy behaviours of the numerous popes cardinals and lesser ecclesiastics are shown to establish unequivocally that the Church of Rome is neither holy nor apostolic The ultimate message of these volumes is that to become an exemplary institution and to play a truly humane role in the world s future the Catholic Church must change
