## **Book Solution Focused Case Management Robert Blundo:**

Solution-Focused Case Management Robert G. Blundo, Joel Simon, 2015-11-06 Blundo and Simon have successfully outlined how a solution focused perspective can be a powerful tool for case managers Their understanding and presentation is based upon practice scenarios that are real and applied They clearly demonstrate the impact of thinking and language and the importance of building a collaborative relationship with clients Their work challenges the traditional theory driven interventions that focus on problems and arrive at a diagnosis They encourage a shift to a co constructive partnership that requires a practitioner to respect that clients are experts of their own lives They provide a clear step wise discussion of techniques and strategies that can be employed working with individuals and families in case management settings This book is a must read Lawrence T Force PhD LCSW R Professor of Psychology Mount Saint Mary College Newburgh NY From the Foreword Solution focused practice is a paradigm that stresses client abilities strengths and individual goals rather than disability Written by a team of educator practitioners noted for their expertise in solution focused therapy this how to text for social work counseling and psychology students guides current and future case managers in learning this strengths based collaborative approach to case management It discusses both the philosophical basis for solution focused casework and demonstrates how it is ideally suited for the case management process The book is based on teaching materials the authors have developed and used in their classes and workshops with undergraduate and graduate students and professionals The text incorporates new research and theoretical developments in solution focused therapy as well as actual practice scenarios demonstrating the process of building a collaborative relationship with individual clients and families Replete with strategies and tools for practicing solution focused case management the text describes such essential skills as identifying goals monitoring progress working with other agencies and transitioning out of treatment It discusses issues related to ethical practice and presents strategies for self care Additionally the book addresses diversity and social justice and their relationships to solution focused practice Student exercises help to reinforce knowledge The text will assist case managers in a variety of settings hospitals nursing homes rehabilitation facilities community based mental health agencies schools prisons court systems and shelters for the homeless and victims of domestic violence to partner with their clients towards finding strengths based and solution focused approaches to resolving issues in a positive way Key Features Authored by noted experts in solution focused education and practice Facilitates a reframing of casework and case management around client strengths and resources Provides specific case examples that allow readers to troubleshoot and apply solution focused principles to practice Includes student exercises throughout the book

**Encyclopedia of Social Work**, 1965 The Encyclopedia of Social Work Terry Mizrahi, Larry Davis, National Association of Social Workers, 2008-04-24 A new completely updated revised and expanded 20th edition of this essential work coming February 2008 Order now and take advantage of our special prepublication price Oxford University Press and The National Association of Social Workers are proud to

announce that a new completely updated revised and expanded 20th edition of this essential work will publish in February 2008 The 400 articles this 4 volume set cover all aspects of social work from practice and interventions social environments social conditions and challenges to social policy and history This new edition of the Encyclopedia includes coverage of areas that have come to the fore since the 1995 publication of the 19th edition including demographic changes from immigration technology the implications of managed care faith based assistance evidence based practice gerontology and trauma and disaster Each thoughtful article is written and signed by a top academic or social work practitioner and includes a bibliography for further reading For even further ease of use all volumes are fully cross referenced and includes a complete Index This convenient and authoritative core reference work is an essential tool for fact finding studying for licensing exams supplementing course work initiating literature searches and supporting practice decisions The Encyclopedia presents an in depth look at the ever changing field of social work The foundation of any social work collection the Encyclopedia will be a treasured addition to the library of practitioner scholar and student alike **Families in Society** ,2001

**Solution-Focused Groupwork** John Sharry,2007-10-25 Solution Focused Groupwork 2001 was a major contribution to the literature on groupwork It has been one of this author s most influential books The Second Edition contains much new material including the uses of problem talk an activity normally avoided by solution focused therapists Preparation for groups client motivation and collaboration are all explored in detail The role of or necessity for social time to be built into the therapy model is an interesting and novel idea Suggestions are made for client evaluation and for creative exercises to enhance the group process All in all the result is a valuable and readable new edition Dr Alasdair J Macdonald Enlightening clearly written and helpfully presented The book echoes what Solution Focused Groupwork is all about being practical and optimistic about human potential David Jaques Author of Learning in Groups A fund of practical wisdom which will give confidence and encouragement to everyone trying to run groups along solution focused lines Bill O Connell Focus on Solutions Limited Birmingham John Sharry has drawn on a combination of extensive experience in running groups and a thorough understanding of current developments to produce an inspiring and practical guide to this powerful way of helping people to change I have recommended the first edition many times and have been sharing the good news of this new edition ever since I knew it was under way John Wheeler MA UKCP Registered Family Therapist Social Worker and Independent Trainer Sharry s book offers a persuasive alternative to traditional methods of group practice The new edition enhances the applicability of an already major contribution to solution focused practice It is obviously written from a real practitioner who understands the process and elements of group work He offers excellent case material throughout to help demonstrated the skills and values of this approach and does so in a readable and engaging manner suitable for students and professionals at all levels of expertise Professor Robert Blundo Ph D LCSW Strengths Collaborative Department of Social Work University of North Carolina Wilmington Wilmington NC U S A This slim tautly written volume disguises an enormously practical treasure

store to help group facilitators Solution Focused Groupwork should be essential reading Barbara Wilson Family Mediation in Practice Solution Focused Groupwork Second Edition is a highly practical guide for all professionals who use groups to help people For those new to the solution focused approach it provides a clear step by step introduction while for more experienced practitioners it presents ideas and techniques which can be readily integrated into existing practice Using carefully selected case studies John Sharpy takes readers through the various stages in the therapeutic process from getting started to the final session He also provides creative exercises for use in practice guidance on evaluating the outcomes of group work and a new model for group supervision A real strength of the book is in showing practitioners how to create a constructive positive and solution focused group culture and how to maintain this culture in spite of the challenges tensions and difficulties that naturally arise within groups John Sharpy is a Principal Social Worker in the Department of Child and Family Psychiatry Mater Hospital and part time Director of the Brief Therapy Group Private Practice and Consultancy

Solution-Based Casework William C. Barrett, Jeffrey Todahl, Dana Christensen, 2011-12-31 Solution based casework is an approach to assessment case planning and case management that combines what we know from clinical social work with what we value about sound social work practice It is grounded in family centered social work and draws from clinical approaches within social work and mental health By integrating problem and solution focused approaches that form the clinical and social work traditions treatment partnerships are more easily formed between family caseworker and service provider Solution Based Casework is a skill based practice oriented text that provides the specific guidance that students and new practitioners need in order to make sense quickly of the complex tasks of assessment and case planning in child welfare The book flows out of a long practice experience and was developed in consultation with workers and supervisors who were attempting to remedy problems viewed as contributing to recurrent abuse and neglect It seeks to end adversarial relationships in casework and advocates case plans based on specific outcome skills rather than on those written with vague outcome goals measuring attendance in counseling It serves as a common conceptual framework for integrating disparate segments of a response network thereby allowing all providers in a therapeutic system to work toward common goals The text is divided into three sections In Section I the conceptual history and theoretical foundations of solution based casework are presented so that the reader can place this approach to casework within the ongoing professional conversation about what constitutes sound practice Section II addresses issues of assessment and case planning Section III focuses on case management issues and how treatment team members experience a solution based casework approach *Case Management* Arthur J. Frankel, Sheldon Gelman, Diane K. Pastor, 2019 Over the course of twenty years and across three editions this text has approached case management as both an art and a science by providing students and practitioners with the basics of case management theory skills and applications This fourth edition which focuses on both the social work and nursing professions offers trainers instructors and students detailed information about how case management is delivered

major issues encountered in practice how services are affected by different populations and the unique skills that are required by case managers in order to be effective Chapter exercises and numerous case examples help readers practice some of the skills associated with the content offered Case Management is unique in that it brings together the major professions that conduct case management in the United States It is focused on skill learning more than on theory and discusses not only the importance of case management in the current social work and medical milieu but also the challenges that case managers face in helping clients In addition the text offers a model for integrated case management between professions and in numerous settings including nursing centers community mental health facilities and criminal justice centers

Clinical Case Management Robert W. Surber, 1993-12-14 The integration of a broad array of interventions is described in this comprehensive practical guide for those working with seriously mentally ill adults It draws on the experience of clients who struggle with severe and disabling problems in a challenging urban environment The contributors argue that psychological and practical issues are intertwined and therefore such interventions must be delivered concurrently They also emphasize that understanding and using the resources of a client's culture is critical to the successful implementation of care and that families and natural support systems are essential components of the care system

## Embracing the Melody of Expression: An Psychological Symphony within **Book Solution Focused Case Management Robert Blundo**

In some sort of used by displays and the ceaseless chatter of instant communication, the melodic beauty and mental symphony created by the published term usually disappear in to the background, eclipsed by the relentless noise and interruptions that permeate our lives. However, set within the pages of **Book Solution Focused Case Management Robert Blundo** a wonderful literary prize brimming with fresh thoughts, lies an immersive symphony waiting to be embraced. Crafted by a wonderful composer of language, that captivating masterpiece conducts viewers on a psychological trip, well unraveling the concealed tunes and profound affect resonating within each cautiously crafted phrase. Within the depths of the emotional evaluation, we will examine the book is central harmonies, analyze their enthralling writing type, and submit ourselves to the profound resonance that echoes in the depths of readers souls.
