**True Crime Addict** James Renner, 2016-05-24 As seen on the Oxygen mini series The Disappearance of Maura Murray When an eleven year old James Renner fell in love with Amy Mihaljevic the missing girl seen on posters all over his neighborhood it was the beginning of a lifelong obsession with true crime That obsession leads James to a successful career as an investigative journalist It also gave him PTSD In 2011 James began researching the strange disappearance of Maura Murray a UMass student who went missing after wrecking her car in rural New Hampshire in 2004 Over the course of his investigation he uncovers numerous important and shocking new clues about what may have happened to Maura but also finds himself in increasingly dangerous situations with little regard for his own well being As his quest to find Maura deepens the case starts taking a toll on his personal life which begins to spiral out of control The result is an absorbing dual investigation of the complicated story of the All American girl who went missing and James s own equally complicated true crime addiction James Renner s True Crime Addict is the story of his spellbinding investigation of the missing person s case of Maura Murray which has taken on a life of its own for armchair sleuths across the web In the spirit of David Fincher s Zodiac it is a fascinating look at a case that has eluded authorities and one man s obsessive quest for the answers
