**A Matter of the Heart** T. D. Burns,2004 While recovering from a heart transplant a strange dream kept returning Bob Hunter found himself once again on a small lobster boat bobbing up and down in the ocean in front of a beautiful lighthouse he had never seen before A number of colorful lobster floats and a stack of lobster traps were on the boat in front of him Waves crashing and exploding against a rocky shore in front of the lighthouse sending giant sprays of white foam into the air A girl in a white dress was standing on a rocky ledge to the left of the lighthouse and waving He knew that somehow she was waving at him As the sequence of dreams returned he would find himself walking up to her as she opened her arms to greet him She was one of the most beautiful girls he had ever seen Her long auburn hair and white dress were gently flowing in the breeze off of the ocean He would always wake up just as he approached Over a period of time he developed an unexplainable and obsessive love for her even though he knew she could not possibly be real Bob Hunter was an artist and a naturalist and painted a picture of both the lighthouse and the girl in his dreams A new acquaintance saw the painting of the lighthouse and told him it was real as she had visited and photographed the same lighthouse She encouraged him to travel to the area to see if he could find a reason for his dreams The dreams had no rhyme or reason Bob had never seen a lobster boat and could not believe that the lighthouse in his dreams actually existed The only way he could rid himself of these dreams was to follow his friend s suggestion and travel to the lighthouse and begin a search for the lady of his dreams

**Doing Things Right in Matters of the Heart** John Ensor,2007-04-04 There is a radical biblical alternative to much of what is taught and practiced today regarding relationships Doing Things Right in Matters of the Heart presents a bold plan for escaping the swift currents of contemporary patterns of hooking up shacking up and breaking up It draws a compelling vision of complementarity between the sexes It instructs men on what to do and informs women on what to look for in their mutual pursuit of a healthy tender long term relationship

**Issues of the Heart. A Woman's Poetic Guide to Emotional Health and Spiritual Peace** Tamara Patterson,2005 In a world

where women are more educated more powerful and more equipped to succeed than ever before sadly it seems that common sense has become a rare luxury for many A vast number of beautiful well spoken intelligent and influential women are remaining in situations of deceit abuse and self destructive patterns that cast a dark shadow over their lives and over the lives of those who love them Many underlying issues contribute to our disturbing behaviors and never ending tolerance for foolishness and unfairness in our relationships Even so we ve allowed the world s loose representation of love sex wisdom and their version of happiness to taint what women of God should already know as divine truth The first purpose of Issues of the Heart is to encourage women to take a long hard and analytical second look at their current involvements and not only ask how did I get here But should I remain here Second Issues of the Heart provides wisdom strength and encouragement through sound biblical instruction to move from bad situations to deliverance emotional healing and spiritual peace

Addressing issues that are far too often considered taboo in the church Issues of the Heart covers a variety of topics from sex bad choices in men and eating disorders to death friends work performance and the absence of the father Assuring them that they are not alone in their struggles Issues of the Heart helps women take Satan by the horns and cast him out of their lives Through poetry straight talk scriptures and prayer the overall message remains the same Regardless of your past your mistakes your pains or regrets God desires to give you peace and heal the issues of your heart     **A Matter of the Heart** Patricia Davids,2008-09-30 Operating on a little boy is Dr Nora Blake s responsibility but answering a reporter s questions about the surgery is not Especially since Robert Dale is delving into her life too and Nora won t allow a newspaper to profit from the child s story or her own Original     Online Access ,1995     *The Complete Idiot's Guide to Online Dating and Relating* Joe Schwartz,1999 Category relationships dating covers online dating and communication Page 4 of cover
