Gino Patrick Johnston,Peter Leech,2025-10-07 From veteran hockey reporter Patrick Johnston and Gino s longtime friend Peter Leech comes the authorized biography of Gino Odjick In the 1980s and 90s National Hockey League games were very different from the nimble skill focused displays we see today One of the greatest differences and one of the sport s more popular facets at the time was the widespread presence of enforcers hulking battle scarred players whose main task was to police the sport by chasing down and brawling with opponents who had broken unwritten codes determining which aspects of violence counted as dishonorable or unjustified When hard hitting Vancouver Canucks player Gino Odjick emerged in the early 1990s he quickly became one of the game s most feared enforcers and revered teammates a sign of a new era for the team racking up 296 penalty minutes in the 45 games he played in his rookie season Hailing from Kitigan Zibi an Algonquin community near Maniwaki Quebec Gino was one of the few Indigenous players in the NHL at the time But it was Gino s ferocious play contrasted by his genuinely affable and openhearted personality off the ice that won him a special place in the hearts of Canucks supporters Yet legends often obscure the human stories behind them Patrick Johnston and Peter Leech look beyond Gino s legendary persona drawing on insights from family members friends and teammates to recount Gino s early years in a loving household that was always ready to welcome foster children Gino s father Joe had suffered the lonely traumas of the residential school system and the experience had instilled a commitment in the family to those who were less fortunate The book also details Gino s eventual struggles with alcohol abuse and how he responded by taking on the role of empathetic mentor to young Indigenous people travelling from community to community to hear their stories and offer hope He never wavered in this role even as he confronted serious illnesses including chronic traumatic encephalopathy CTE and the rare blood disorder that he survived for years longer than expected but that eventually led to his death at age fifty two Gino is a moving tribute to a beloved hockey legend

The NHL's Mistake by the Lake Gary Webster,2021-09-30 The Cleveland Barons should never have existed Born when the National Hockey League s California Golden Seals another team that should never have existed were transplanted to Cleveland in 1976 and greeted with apathy by the dwindling number of hockey fans in northeastern Ohio the Barons were an embarrassment to the city and to the NHL The only thing the team had going for them was the state of the art arena they played in which was all but empty for nearly every game they played This book chronicles the Barons two regrettable seasons a case study in what happens when an ill conceived professional sports team created in an expansion splurge is moved in an effort to save it to a city that doesn t really want it

Swashbucklers Knowlton Nash,2001 From its beginnings broadcasting in Canada has been a battlefield with the larger than life entrepreneurs who fell in love with the new medium locked in battle with government and meddlesome do gooders impressed by the cultural power of radio The first fight of the radio pioneers was over advertising and initially the private broadcasters won commercials were here to stay making radio an immensely profitable industry But the biggest battle of the early years was between private broadcasters and those who lobbied against the new commercial adventurers should the airwaves be used to sell things and entertain or to enrich and educate Canadians The struggle consumed both sides for years even after the establishment of national public radio in 1936 The advent of television in the early 1950s merely moved the war to fresh terrain By the early 1980s the private broadcasters appeared to have won but a new player arrived on the scene the cable industry The proliferation of specialty channels threatened the end of mass national audiences for television but in an ironic twist the small specialty audiences for cable awoke private broadcasters to the need for specialized Canadian programming The swashbucklers who battled for control of the airwaves and over what is broadcast on them have left behind them a rich record one that Nash brings to life in this vivid and entertaining story of the men the Sedgwicks of Toronto the Siftons of the Prairies the Thomsons of Ontario the Bassettts and the Rogers of Toronto the Aspers of Winnipeg the Shaws of Calgary the Chandlers of Vancouver the Peladeaus of Quebec along with Moses Znaimer of CITY TV and Ivan Fecanof CTV who together have entertained us and tried to sell us things in the privacy of our living rooms for much of this century
