[Building the Fit Organization: Six Core Principles for Making Your Company Stronger, Faster, and More Competitive](#) Daniel Markovitz,2015-10-22 Winner of The Shingo Research and Professional

Publication Award Everyone knows that in order to reach optimum levels of health you have to exercise and that you have to keep at it day after day after day No big secret here It s the same with process improvement and specifically lean processes

Everything there is to know about Lean has been revealed Countless books articles and seminars provide business leaders all the information they need to understand how lean works and how effective it can be when fully implemented Again not a secret Why then do companies invariably fail in their pursuit of operational excellence The same reason people fail to trim fat

through exercise They don t do it They try to squeeze it into their schedule they don t make it part of their schedule And inevitably it becomes less of a priority In the same vein too many business leaders see process improvement as a project something separate from the more pressing goals of profits and growth That s where they go wrong And that s where

Building the Fit Organization comes in In this practical hands on guide Markovitz walks you step by step through the process of making lean as intrinsic to your company as the pursuit of profits You will learn how to make an unshakeable commitment to increasing the value provided by doing the right work in the right way with continuous monitoring of processes and

structured coaching for everyone You don t need another book about lean What you need to learn is how to make process improvement your company s purpose Like a serious athlete you re warmed up You know what lean is and how it can help

your organization Now it's time to perform Building the Fit Organization is the next step to creating a company that can compete on the toughest of playing fields Global Content Marketing: How to Create Great Content, Reach More Customers, and Build a Worldwide Marketing Strategy that Works Pam Didner, 2014-12-19 Engage Customers Around the World with Cross Regional Content Marketing Technology has virtually erased national borders forever transforming the way we reach and engage customers as well as the way we search for and consume content Global Content Marketing takes you step by step through the process of creating and refining your strategies to meet this new reality LEARN HOW TO Create content that engages people regardless of their country and culture Identify key actions and strategies to apply to your projects Connect dots that others don't see and connect them in ways you never thought of before Content marketing across geographies is a different animal In this smart practical and authoritative book Pam Didner has tamed this animal for all of us DOUG KESSLER Creative Director Velocity A valuable guide to developing and distributing your global content effectively NANCY BHAGAT former VP Global Marketing Strategy Intel and current Divisional CMO TE Connectivity This book is the blueprint for engineering a modern scalable content marketing operation PAWAN DESHPANDE CEO Curata Finally the book that explores all critical aspects of global content marketing Whether you are a small business or a Fortune 500 company it is essential to understand the 4P's developed by Pam Didner Read it and take your content strategy to the whole new level
