Lasers in Dentistry—Current Concepts Donald J. Coluzzi, Steven P.A. Parker, 2017-09-21 This book provides information on the basic science and tissue interactions of dental lasers and documents the principal current clinical uses of lasers in every dental discipline. The applications of lasers in restorative dentistry, endodontics, dental implantology, pediatric dentistry, periodontal therapy, and soft tissue surgery are clearly described and illustrated. Information is also provided on laser assisted multi tissue management covering procedures such as crown lengthening, gingival troughing, gingival recontouring, and depigmentation. The closing chapters look forward to the future of lasers in dentistry and the scope for their widespread use in everyday clinical practice. When used in addition to or instead of conventional instrumentation, lasers offer many unique patient benefits. Furthermore, research studies continue to reveal further potential clinical applications and new laser wavelengths are being explored, developed, and delivered with highly specific power configurations to optimize laser tissue interaction. This book will bring the reader up to date with the latest advances and will appeal to all with an interest in the application of lasers to the oral soft and/or hard tissues.

[Paperbacks in Print](#), 1969 [The Book of Nathan the Prophet and the Book of Gad the Seer](#) Ti Burtzloff, 2015-03-12 Tied together now into One Book are The Book of Nathan the Prophet and The Book of Gad The Seer. They are referred to in 1 Chronicles 29:29 which is given as follows: Now the acts of David the King first and last behold they are written in the book of Samuel the Seer and in the book of Nathan the Prophet and in the book of Gad the Seer 1 Chronicles 21:11, 12, 11 So Gad came to David and said unto him Thus saith the Lord Choose thee 12 Either three yeeres famine or three moneths to bee destroyed before thy foes while that the sword of thine enemies ouertaketh thee or else three dayes the sword of the Lord euen the pestilence in the land and the Angel of the Lord destroying throughout all the coasts of Israel Now therefore aduise thy selfe what word I shall bring againe to him that sent me First power of the two witnesses in Revelation 11:6 compared to the first power of Gad the seer in 1 Chronicles 21:12 In Revelation 11:6 a lack of rain is the first power that the two witnesses were given In 1 Chronicles 21:12 Gad can cause a famine to fall upon David's kingdom A lack of rain would cause a famine So being able to make it not rain is the same thing as being able to cause a famine So here we See that the first power in Revelations 11:6 which the two witnesses possess is the same first power that Gad possesses in 1 Chronicles 21:12 Second power of the two witnesses in Revelation 11:6 compared to the second power of Gad the seer in 1 Chronicles 21:12 This is a matter of comparing the power to turn water into blood or let us paraphrase this for the sake of understanding it the second power in Revelation 11:6 to turn water into blood can be better translated as the power to make puddles of blood, pools of blood, ponds of blood, rivers of blood, streams of blood, oceans of blood, lakes of blood to spill so much blood that there would literally be a FLOOD of BLOOD Now comparing that second power the two witnesses have in Revelation 11:6 to the second power that Gad had in 1 Chronicles 21:12 which was three moneths to bee destroyed before thy foes while that the sword of thine enemies ouertaketh thee we can See that if

the enemies of David's kingdom had pursued to overtake David's kingdom for three months long by the sword of its enemies so much blood would have been shed constantly for three months that there would have literally been a BLOOD FLOOD We can See here again that the second power of the two witnesses in Revelation 11:6 is the same power as the second power Gad had in 1 Chronicles 21:12 And the Third power of the two witnesses in Revelation 11:6 compared to the third power of Gad the seer in 1 Chronicles 21:12 are also exactly the same power The third power of the two witnesses in Revelation 11:6 is the power to cause plagues The third power of Gad the seer in 1 Chronicles 21:12 is the power to cause a pestilence A plague and a pestilence are the same thing Now many of the secret sins which king David committed were sins of sodomy See 2 Samuel 1:26 which is given as follows I am distressed for thee my brother Jonathan very pleasant hast thou been unto me thy loue to mee was wonderfull passing the loue of women That was king David speaking of the love that he had between him and Jonathan Note that even the type of love a man might have for his brother man is not ever compared to the type of love that men have for women In other words a strait man would not say that the love another man has for him is wonderful passing the love of women Only an effeminate one might say it that way Note We are not bashing a man of the past We are exposing a spirit that is here among us right now in our time This is why Nathan the prophet and Gad the seer were killed by king David It is because they exposed king David for committing Sodomy And this is why Revelation 11:8 states that the two witnesses were killed in a city which spiritually is called Sodom Sodom symbolizing Sod
