A Midsummer Night's Ghost Erin McCarthy,2025-03-03 The only constant in life is change and Bailey Burke is embracing the spirit of it A previously reluctant spiritual medium she has decided that it s time to accept that ghosts are a part of her new reality and to start working with law enforcement to solve murders Along with moving into a new house with her detective boyfriend and a dead best friend whose ghost likes to pop in and out at will Bailey is charged with taking her grandmother to play practice at the local senior center The only thing she should be saying is break a leg right Only the director of the senior s Shakespeare production is Bailey s high school friend enemy and the janitor has turned up dead When one of the actors is also killed in a prop plot twist it s time to investigate While all the world s a stage it s also full of ghosts and Bailey needs to solve the Midsummer Night Murders to get back to the simple life of designing beautiful houses and avoiding her future mother in law

Introduction to Information Systems R. Kelly Rainer,Brad Prince,2025-11-04 As digital transformation becomes increasingly central to

effective corporate strategy today s students must learn how information systems provide the foundation for modern business enterprises Known for its rich content and focus on active learning Introduction to Information Systems 11th Edition shows students how they can use IS to help their current or future employers increase profitability improve customer service manage daily operations and drive impact in their markets This course demonstrates that IT is the backbone of any business whether a student is majoring in accounting finance marketing human resources production operations management or MIS In short students will learn how information systems provide the foundation for all modern organizations whether they are public sector private sector for profit or not for profit Emerging Trends and Innovation in Business and Finance Rim El Khoury,Nohade Nasrallah,2023-10-28 This book explores diverse dimensions of innovation in business and finance from a micro as well as macro perspective through various case studies and analyses of trends The previous decade is known as the era of digital transformation and innovation The rise of new technologies is having an impact on the global trends and leading to innovation in business and finance In this competitive market businesses and financial institutions must be responsive to the trends in order to survive and thrive governments must cope with the complex and uncertain environments by being smart transforming service delivery and implementing smart governance practices and entrepreneurs and investors are faced with alternative sources of finance and investment However keeping up with these trends and innovations is fraught with its own set of challenges Thus it is important to analyze new and emerging technologies and innovations through a myriad of disciplinary lenses This book not only expands conceptual understanding of digital transformation and innovation by presenting strong empirical evidence but also by adding to the vigorous worldwide policy discussion on how to assist businesses in the digital transition The book will be useful to scholars and researchers of business management financial management business economics international business human resources and marketing It will also be of interest to entrepreneurs policymakers academicians and practitioners in the field *Men Under Attack* Conrad Riker, Are you a father feeling betrayed by the system Discover how Social Services are manipulating and terrorizing parents violating human and parental rights in England under the guise of child protection Learn how these agendas are pushing fathers to the edge and causing irreparable damage to the institution of family and society at large 1 Are you a father being unfairly targeted by Social Services 2 What consequences does family breakdown have on society and our economy 3 Learn how progressive ideologies like Marxism queer theory and feminism are undermining the traditional family structure This book will provide you with an in depth understanding of the current state of social services in England shedding light on the system s corrupt and self serving agenda It will expose the methods used to dismantle the family unit and the devastating impact this has on children parents and society Prepare to be enlightened and galvanized into action as you grasp the complexity of this issue and obtain the knowledge to protect your family Get your hands on Men Under Attack How Social Services are Breaking Down Families in England today and make a stand for your rights as a father and as an individual Take the first step on the

path to understanding the system and finding ways to change it Don t let the government take your family away from you buy this book and be part of the solution    **Fear Knot** Natasha Swalve,Ruth DeFoster,2025-10-21 Why do we fear Halloween candy but not vending machines Why do witch hunts recur so often in history How dangerous are serial killers really The Fear Knot examines our most common deeply held fears unpacking which are valid and which are misguided explaining the history of how our irrational fears developed and how we can unlearn them We live in a world seemingly rife with danger a villainous stranger or new deadly bacteria lurking around every corner So how do we sort through these fears determining which are well founded and which have been manufactured How can our biases and psychology allow these fears to overtake us and how can we learn to think logically in a world driven by sensationalism In this lively and timely tour psychologist Natasha Swalve and journalism professor Ruth DeFoster lead readers through the history and psychology behind our most visible and sensational cultural fears beginning with the most personal fear within our bodies and moving outward to the home our country and finally to our broadest society level fears From micro fears like how our fear of vaccines has led to measles epidemics to the broad existential dread associated with climate change and gun violence The Fear Knot examines the toll our fears take on us on an individual and societal level Exploring how shared culture media consumption and even our own brain can help drive incorrect beliefs about risk Swalve and DeFoster help readers to make informed evidence based decisions about fear and risk and along the way to learn how to think critically examine your own beliefs and become confident consumers of media and popular culture Combining psychology and journalism in short light hearted chapters The Fear Knot gives readers a fresh look at Americans perceptions of risk and danger with an emphasis on how to recognize misinformation or biases updated to include the most recent fears that Americans face in the 21st century and the real dangers that we may be ignoring

**What Matters for Health and Happiness Among the Older Adults in Asia** Nai Peng Tey, Halimah Awang, Shekhar Chauhan, 2024-03-11 People want to live a healthy and happy later life A large body of literature shows the close association between health status and happiness and between health and active engagement in work exercise and social and religious activities However the causation between the two can run both ways and it is difficult to determine the causal effect with cross sectional data Various authors have shown the significant influence of socioeconomic factors and human needs on older people s health status and happiness A better understanding of the factors affecting healthy and happy aging is essential for policymaking to improve the well being of older people The availability of data from HRS family studies in several Asian countries CHARLS in China LASI in India JSTAR in Japan KLoSA in Korea IFLS in Indonesia HART in Thailand MARS in Malaysia and Longitudinal Study of Ageing and Health in Viet Nam see Gateway to Global Aging Data provides an excellent opportunity for researchers to examine factors affecting health and happiness among older adults within and across Asian countries This research topic aims to gather papers that investigate the socioeconomic attitudinal and behavioural factors affecting the health status and happiness life satisfaction of older adults in

Asia The dependent variables may include physical health mental health disability ADL IADL cognitive functioning self rated health health expenditure feeling of happiness and life satisfaction The independent variables may be age gender marital status place of residence educational level active engagement work exercise social and religious activities family and social relationship and support outlook in life smoking drinking and access to and utilization of healthcare services etc Manuscripts can be based on individual countries or cross country analysis preferably using the panel data to establish the causal effects of the independent variables on the dependent variables

### **Ethical Hacking Techniques and Countermeasures for**

**Cybercrime Prevention** Conteh, Nabie Y.,2021-06-25 As personal data continues to be shared and used in all aspects of society the protection of this information has become paramount While cybersecurity should protect individuals from cyber threats it also should be eliminating any and all vulnerabilities The use of hacking to prevent cybercrime and contribute new countermeasures towards protecting computers servers networks web applications mobile devices and stored data from black hat attackers who have malicious intent as well as to stop against unauthorized access instead of using hacking in the traditional sense to launch attacks on these devices can contribute emerging and advanced solutions against cybercrime Ethical Hacking Techniques and Countermeasures for Cybercrime Prevention is a comprehensive text that discusses and defines ethical hacking including the skills and concept of ethical hacking and studies the countermeasures to prevent and stop cybercrimes cyberterrorism cybertheft identity theft and computer related crimes It broadens the understanding of cybersecurity by providing the necessary tools and skills to combat cybercrime Some specific topics include top cyber investigation trends data security of consumer devices phases of hacking attacks and stenography for secure image transmission This book is relevant for ethical hackers cybersecurity analysts computer forensic experts government officials practitioners researchers academicians and students interested in the latest techniques for preventing and combatting cybercrime
