Cryptoassets: The Innovative Investor's Guide to Bitcoin and Beyond Chris Burniske, Jack Tatar, 2017-10-20 The innovative investor's guide to an entirely new asset class from two experts on the cutting edge. With the rise of bitcoin and blockchain technology, investors can capitalize on the greatest investment opportunity since the Internet. Bitcoin was the first cryptoasset, but today there are over 800 and counting, including ether, ripple, litecoin, monero, and more. This clear, concise, and accessible guide from two industry insiders shows you how to navigate this brave new blockchain world and how to invest in these emerging assets to secure your financial future. Cryptoassets gives you all the tools you need: An actionable framework for investigating and valuing cryptoassets; Portfolio management techniques to maximize returns while managing risk; Historical context and tips to navigate inevitable bubbles and manias; Practical guides to exchanges, wallets, capital market vehicles, and ICOs; Predictions on how blockchain technology may disrupt current portfolios. In addition to offering smart investment strategies, this authoritative resource will help you understand how these assets were created, how they work, and how they are evolving amid the blockchain revolution. The authors define a clear and original cryptoasset taxonomy composed of cryptocurrencies, cryptocommodities, and cryptotokens, with insights into how each subset is blending technology and markets. You'll find a variety of methods to invest in these assets, whether through global exchanges, trading 24/7, or initial cryptoasset offerings (ICOs). By sequentially building on the concepts of each prior chapter, the book will provide you with a full understanding of the cryptoasset economy and the opportunities that await the innovative investor. Cryptoassets represent the future of money and markets. This book is your guide to that future.

The Social Media Strategist: Build a Successful Program from the Inside Out Christopher Barger, 2011-12-20 Build a powerful social media strategy to increase buzz and the bottom line. Whether you're Fortune 500 or a small business owner, if you're looking for success in this field, you owe it to yourself to read this book. George G. Smith, Jr., Social Strategist, PepsiCo. After working with hundreds of organizations in their efforts to adopt social technologies, I can safely say *The Social Media Strategist* is the best guide available. Christopher Barger elevates the social media conversation with an experienced, pragmatic insider's discussion about real adoption. This book should be on every corporate and agency practitioner's shelf. Geoff Livingston, author of *Welcome to the Fifth Estate* and *Now Is Gone*. This book is an absolute must-read for anyone seeking to better understand how to plug social media into their business from both a strategic and an operational standpoint and should be required reading for communications and business management students around the world. Olivier A. Blanchard, author of *Social Media ROI*. *The Social Media Strategist* is refreshing because it has substance amidst a sea of social media superficiality. It will help you think strategically and realistically so you can act efficiently and creatively. If you're serious about business and committed about leveraging social media, you need to read this book. Esteban Contreras, Social Media Marketing Manager, Samsung USA. Christopher offers a refreshing point of view as a seasoned practitioner and leader in the earliest days of the social media evolution. He describes the challenges of large-scale internal change and the rewards of integrating social media

business planning and he shares real world examples of successful campaigns Shauna Causey Head of Social Media Nordstrom About the Book In today's fast paced professional climate large companies are learning that launching a website and taking a wait and see approach to engaging customers is not enough Competition is fierce and those who master the social media space are the ones who come out on top There is greater urgency than ever before to establish a vibrant social media program and it all starts with a key strategist who can best organize and leverage all of the organization's resources to cut through the bureaucracy and get real time results This is where The Social Media Strategist comes in Before tackling specific social media programs you first have to get your own organization and everyone in it on board with making social media a business strategy priority Christopher Barger the award winning former social media director at General Motors and IBM's former blogger in chief describes all the challenges particular to getting a comprehensive social media program off the ground in a large firm The Social Media Strategist teaches you how to Manage internal office politics from your legal team to the policy makers to the human resource department Present new ideas to lawyers and executives in a compelling convincing way Teach your employees the guidelines and protocols they'll need to represent your company Turn your organization into a true media outlet publishing content that is generated by in house employees and is truly engaging to an outside audience Telling a company from the outside what it should do is one thing writes Barger Actually making it happen from the inside is quite another Here he takes the bold step of starting where all successful endeavors begin by planning well by putting all the moving parts in the right place by constructing a solid foundation Consult The Social Media Strategist and build the best suited social media infrastructure for your company Then and only then can you begin to raise your profile connect with customers and increase your profits using the most powerful new business tool The Freemason and Masonic Illustrated.
