Immortal Films Barbara Klinger, 2022-11-15 Introduction the cultural biography of a film Listening to Casablanca radio adaptations and sonic Hollywood Back in theaters postwar repertory houses and cult cinema Everyday films broadcast television reruns and canonizing old Hollywood Movie valentines holiday cult and the romantic canon in VHS video culture Happy anniversaries classic cinema on DVD Blu ray in the conglomerate age Epilogue streaming Casablanca and afterthoughts Appendix one Casablanca s first appearances on US platforms formats Appendix two Casablanca s physical format video rereleases *De Gruyter Handbook of Media Technology and Innovation* Richard A. Gershon, 2025-01-27 The De Gruyter Handbook of Media Technology and Innovation brings together scholars from around the world to provide key insights on emerging technology trends and issues related to the fields of media management information technology product design planning and digital lifestyle This handbook is about the power of good ideas It s about those business enterprises government planners educators and entrepreneurs that have harnessed the power of good ideas to become real difference makers in the world we live in Keeping pace with fast paced technology change requires ongoing assessment and reassessment of the media management and technology fields to address important questions and emerging issues A major premise of this book is that given the complex and ever changing state of media technology we have a responsibility and obligation to engage in a broader interdisciplinary dialogue whose purpose is to understand the current and future state of media technology and innovation as well as to appreciate the social impact that such technologies have on business education and the general public Forecasting the future as any weatherperson or stock broker can tell you is a risky business But in this book we use the phrase the creative next step as a way to talk about the future and what we can expect in terms of the opportunities and challenges going forward **The Canadian Monthly and National Review** Graeme Mercer Adam, George Stewart, 1872 **Managerial Accounting** Jerry J. Weygandt, Paul D. Kimmel, Jill E. Mitchell, 2025-01-22 Managerial Accounting 10th Edition by Jerry Weygandt Paul Kimmel and Jill Mitchell provides a practical introduction to managerial accounting with a hands on active learning experience to improve student understanding retention and engagement Students work through integrated practice at the point of learning with real world connections and high quality assessment ensuring they learn concepts more efficiently and understand the why and how of accounting application In addition Managerial Accounting 10th Edition includes a variety of hands on activities and resources that enhance practical learning and key skills including running cases various data analytics assignments and coverage of leading industry topics These resources help develop critical thinking and business decision making skills preparing students for future job success no matter what path they take **Psychological Review** , 1882 **The Psychological Review** , 1882 Software and CD-ROM Reviews on File , 2005 *Media Libraries in an Age of Unending Consumption* Mike Van Esler, 2023-10-24 As the home video market upended traditional film industry models media libraries emerged as important sources of ancillary

revenue The inflection point for media library exploitation came in 2007 when Netflix launched its streaming service relying on extensive licensing of film and television libraries to grow its subscriber base In this book Mike Van Esler examines how media libraries and business models have evolved since the home video era with particular emphasis placed on the streaming age of the past fifteen years Van Esler argues that media libraries have grown beyond their usages from the pre home video era to become central to today s corporate media strategy By studying the ways in which media library exploitation has scaled up since the turn of the new millennium the author identifies insights into larger media industry trends Ultimately this book explores the intersection of corporate media independent distributors private equity tech companies and audiences
