Complicated Simplicity Joy Davis, 2019-05-21 A frank practical and entertaining exploration of the pleasures and complexities of living on small islands. Many people dream of living simple lives on small islands but few are aware of some of the unique challenges that accompany this distinctive lifestyle. From negotiating surrounding waters to creating a sustainable home and making a viable life away from urban conveniences small island living can be rewarding or difficult or both depending on myriad circumstances. *Complicated Simplicity* Island Life in the Pacific Northwest draws on a variety of sources to contextualize people's enduring fascination with islands worldwide including the author's own experiences growing up on Bath Island off Gabriola and her interviews with over twenty intrepid figures who live on the San Juan Islands the Gulf Islands the Discovery Islands and in Clayoquot Sound. Ingenuity tenacity and a passion for living in these special places shine through in the personal stories as does a shared concern for safety sustainability and thoughtful stewardship. Engaging, inspiring and often funny *Complicated Simplicity* offers readers honest and useful insights on the joys perils and rewards of island life.
