**Bezos vs. Musk - A Global Battle** Mehdi Chaabi, 2021-10-13 There is a hidden agenda in Elon Musk and

Jeff Bezos's space exploration to colonize Mars and the Moon. The media portray them as Americans who are rekindling space exploration that was once dominated by the rivalry between the United States and the extinct Soviet Union. Before you write off what I have just said hear me out. For more than a decade I've closely studied the lives of Bezos and Musk. I have watched as Jeff Bezos dominated online retailing and Elon Musk building Tesla and SpaceX. As each spread their wings to critical industries I began to notice a pattern that only leads to one conclusion: the hidden agenda each harbors. On the surface it appears each of them is interested in dominating space. However when you study how they operate in every industry you cannot help but conclude that there is more to their modus operandi. If you would like to find out what this hidden agenda is and how Musk and Bezos are dominating the industries they each operate in then **BEZOS vs MUSK** is a book you should read. In this book I Dan Bleigh an MBA graduate will be providing a unique angle of looking into the innovations and technology that Bezos and Musk use to dominate. I compare the two top richest people in the world side by side. You'll learn the logistics strategy that each of these entrepreneurs applies to move their companies to the top. Here's more of what you'll learn in this book: Two dreams that Elon Musk has that'll take him to the top of the air transportation industry. Discover two images in the conclusion that shows what Elon Musk and Jeff Bezos are planning when they're done with their respective projects. What Jeff Bezos did to force NASA to freeze the Artemis program for a few months. An initiative that Elon Musk is undertaking to help increase the thinking power of human beings and why he's doing it. Why Elon Musk and Amazon Web Services have funded OpenAI. A potent strategy that Amazon uses to dominate an industry it never operated in before. And much much more. The rivalry between Jeff Bezos and Elon Musk is intense and these two billionaires are in conflict over NASA's contracts. However these conflicts are hiding what is happening in reality. If you want to find out the truth behind the rivalry of Bezos and Musk get **BEZOS vs MUSK**

**Electronics Now**, 1999-07     **Power Play** Tim Higgins, 2021-08-05 A Wall Street Journal Business Bestseller. A deeply reported and business savvy chronicle of Tesla's wild ride. Walter Isaacson A masterclass in narrative journalism. Bradley Hope Exemplary The Times An exceptional work Washington Post Inside the outrageous come from behind story of Elon Musk and Tesla's bid to build the world's greatest car and the race to drive the future. Elon Musk is among the most controversial titans of Silicon Valley. To some he's a genius and a visionary and to others he's a mercurial huckster. Billions of dollars have been gained and lost on his tweets and his personal exploits are the stuff of tabloids. But for all his outrageous talk of mind uploading and space travel his most audacious vision is the one closest to the ground: the electric car. When Tesla was founded in the 2000s electric cars were novelties trotted out and thrown on the scrap heap by carmakers for more than a century. But where most onlookers saw only failure a small band of Silicon Valley engineers and entrepreneurs saw potential and they pitted themselves against the biggest fiercest business rivals in the world setting out to make a car that was quicker, sexier, smoother, cleaner than the competition. Tesla would undergo a truly hellish fifteen years beset by rivals pressured by

investors hobbled by whistleblowers buoyed by its loyal supporters Musk himself would often prove Tesla's worst enemy his antics repeatedly taking the company he had funded himself to the brink of collapse Was he an underdog an antihero a conman or some combination of the three Wall Street Journal tech and auto reporter Tim Higgins had a front row seat for the drama the pileups wrestling for control meltdowns and the unlikeliest outcome of all success A story of power recklessness struggle and triumph Power Play is an exhilarating look at how a team of eccentrics and innovators beat the odds and changed the future
