real test questions from ACT Inc and why you shouldn't pay much attention to the official written explanations for those questions. What you're actually supposed to do when the ACT asks you about an author's attitude. The important implications of viewing time as an investment on test day. Why focusing on the wrong answers can be just as important as finding the right one and how to do it effectively. The simple formula that allows you to crank out a top scoring essay that is if you even need to take the ACT Writing test in the first place. The special grammatical rules tested on the ACT English section which may differ from what's commonly accepted in a high school or college classroom. The unwritten rules for every kind of ACT question. The many ways to approach an ACT Math question and which ones are likely to work best for you. Why every real ACT Math question can potentially be answered in under 30 seconds. And much much more than we can fit in this space.

5 lb. Book

of ACT Practice Problems Manhattan Prep, 2015-05-12. Manhattan Prep's 5 lb Book of ACT Practice Problems is an essential resource for any student taking the ACT. Packed with over 1,800 practice problems covering all topics tested on the exam, this book helps students build fundamental skills through targeted practice.
