**Vouchers, Class Size Reduction, and Student Achievement** Alex Molnar, 2000 *An Evaluation of Findings from Cleveland's State-Funded Voucher Program* Willie J. Newton, 2011-03 This study examines the results of multiple evaluations of the Cleveland Scholarship and Tutoring Grant Program CTSP a state funded voucher program by exploring extant evaluations and literature Attention will be given to the following research question Does participation in the Cleveland Scholarship and Tutoring Grant Program have the hypothesized positive effect on traditional public school students academic achievement Cleveland s voucher program provides an ideal contextualized setting for ascertaining the extent to which school choice programs afford poor families the same educational options available to affluent families This study concludes that overall there are no statistically significant gains in voucher students academic achievement In fact it appears that some voucher students performed slightly worse in math The program does however afford low income students the opportunity to attend private secular or religious schools in accordance with the program s initial design and intent *American Public School Finance* William A. Owings, Leslie S. Kaplan, 2025-09-29 Designed for aspiring school leaders this fully updated fourth edition presents the realities of school finance policy and issues as well as the tools for formulating and managing school budgets In an era of dwindling fiscal support for public schools increasing federal mandates and additional local budget requirements educational leaders must be able to articulate sound finance theory and application The authors move beyond coverage found in other texts by providing critical analysis and unique chapters on misconceptions about school finance fiscal capacity fiscal effort adequacy and efficiency demographic issues districts strategic plans role in budgeting and spending and student achievement Examining local state and federal education spending this text gives readers the foundation to understand school finance and knowledgeably educate colleagues parents and other stakeholders about its big picture issues facts and trends The fourth edition of American Public School Finance helps educational leaders at all stages of their careers become informed advocates for education finance practice and reform New in this edition Updated discussion of school choice the pandemic s impact on student enrollment funding and learning challenges to the structure of school finance and equity implications of school funding Refreshed case studies focus questions and chapter assignments Updated online supplemental resources including PowerPoint slides and other additional chapter resources accessible at [www.routledge.com/cw/owings](http://www.routledge.com/cw/owings) **Rhetoric vs. Reality** Michael Timpane, Dominic Brewer, Brian Gill, Karen Ross, 2001-12-12 How can the education of our nation s children be improved Vouchers and charter schools aim to improve education by providing families with more choice in the schooling of their children and by decentralizing the provision of educational services While supporters argue that school choice is essential to rescue children from failing schools opponents claim that it may destroy America s public education system The authors undertake an exhaustive and critical view of the evidence on vouchers and charter schools The book is a useful unbiased primer for all those interested in this controversial topic

**Urban and Regional Policy and its Effects** Nancy Pindus, Howard Wial, Harold Wolman, 2011-01-01 Urban and Regional Policy and Its Effects the third in a series sets out to inform policymakers practitioners and scholars about the effectiveness of select policy approaches reforms and experiments in addressing key social and economic problems facing cities suburbs and metropolitan areas The chapters analyze responses to five key policy challenges that most metropolitan areas and local communities face Creating quality neighborhoods for families Governing effectively Building human capital Growing the middle class Enlarging a competitive economy through industry based strategies Managing the spatial pattern of metropolitan growth and development Each chapter discusses a specific topic under one of these challenges The authors present the essence of what is known as well as its likely applications and identify the knowledge gaps that need to be filled for the successful formulation and implementation of urban and regional policy International Encyclopedia of Education, 2009-04-17 The field of education has experienced extraordinary technological societal and institutional change in recent years making it one of the most fascinating yet complex fields of study in social science Unequaled in its combination of authoritative scholarship and comprehensive coverage International Encyclopedia of Education Third Edition succeeds two highly successful previous editions 1985 1994 in aiming to encapsulate research in this vibrant field for the twenty first century reader Under development for five years this work encompasses over 1 000 articles across 24 individual areas of coverage and is expected to become the dominant resource in the field Education is a multidisciplinary and international field drawing on a wide range of social sciences and humanities disciplines and this new edition comprehensively matches this diversity The diverse background and multidisciplinary subject coverage of the Editorial Board ensure a balanced and objective academic framework with 1 500 contributors representing over 100 countries capturing a complete portrait of this evolving field A totally new work revamped with a wholly new editorial board structure and brand new list of meta sections and articles Developed by an international panel of editors and authors drawn from senior academia Web enhanced with supplementary multimedia audio and video files hotlinked to relevant references and sources for further study Incorporates ca 1 350 articles with timely coverage of such topics as technology and learning demography and social change globalization and adult learning to name a few Offers two content delivery options print and online the latter of which provides anytime anywhere access for multiple users and superior search functionality via ScienceDirect as well as multimedia content including audio and video files **Economics of Education** Dominic J. Brewer, Patrick J. McEwan, 2010-01-26 A collection of short stand alone chapters divided into five sections including overview of the field private and social returns to human capital investments production costs and nancing of education teachers and teacher labor markets and education markets choice and incentives The collection provides international perspectives that describe the origins of these subjects their major issues and proponents their landmark studies and opportunities for future research The 70 contributors are each well regarded economists whose research has advanced the topic on which they write and this book fulfills an undersupplied

niche for a text in the economics of education The chapters come from the acclaimed International Encyclopedia of Education 3e 2010 edited by Eva Baker Barry McGaw and Penelope Peterson The Encyclopedia contains over 1 350 articles in 24 sections that stretch from educational philosophies and technologies to measurement leadership and national systems of education This single volume textbook presents a cohesive view of this increasingly important area of economics Superb contributions from well regarded economists convey unique and useful perspectives Chapters contain an extensive bibliography and further readings to enable interested researchers to extend their knowledge into each specific topic

Vouchers and the Provision of Public Services C. Eugene Steuerle, 2000-06 A Brookings Institution Press Committee for Economic Development and Urban Institute Press publication For decades the use of vouchers has been widely debated But often lost in the heat of debate is the fact that vouchers are just another tool in the government's tool chest a restricted subsidy that falls somewhere between the extremes of cash and direct government provision of services The instrument itself is not new the 1944 GI Bill of Rights was a voucher and vouchers for food college aid and housing have been in place for decades Until now however the study of vouchers has been restricted to a few controversial applications This volume which grew out of a conference sponsored by the Brookings Institution the Urban Institute and the Committee for Economic Development fills the gap offering a framework for comparative analysis of specific policy issues related to vouchers Its 16 essays address the economics politics and legal issues of voucher use and explore how vouchers are currently employed in the United States and abroad for education child care job training housing and health care C Eugene Steuerle is a senior fellow at the Urban Institute and has worked under four different U S presidents on a variety of reform issues in such areas as social security budget tax and health policy Robert D Reischauer a senior fellow in Economic Studies at the Brookings Institution was director of the Congressional Budget Office from 1989 to 1995 George Peterson is a senior fellow at the Urban Institute from 1976 to 1985 he directed the Institute's Public Finance Research Center Van Doorn Ooms senior vice president and director of research at the Committee for Economic Development was formerly executive director for policy and chief economist of the Committee on the Budget U S House of Representatives 1989 1990 and was the Budget Committee's chief economist from 1981 to 1988 *Annual Report of the Board of Managers of the Woman's Home*
