*The Devil on the Island III. Dogs of War.* JOAN PONT GALMÉS, Carlos desperately wants to forget Tania and everything she represents. He settles in a small village in Morocco called Taghazout. But nothing is easy nor will it ever be for the killer who has already spread death across several continents. A nine year old boy will enter his life and force him to experience feelings he never imagined. Mercenaries from the most powerful investment fund on the planet will arrive in Taghazout to take him down. He has meddled in matters that are none of his business but he can't back out; he owes it to the boy who unintentionally will unleash his emotions. Joan Pont lives on the island of Mallorca. A former bodyguard to military authorities and stockbroker, he is now fully dedicated to writing. He is the author of the famous sagas *The Fifth Origin*, *The Revenge of the Earth* and *The*

THE TRILOGY* JOAN PONT, The devil on the island is a trilogy by Joan Pont that follows Carlos a professional assassin through a series of gripping and tragic events Episode I Carlos arrives in Mallorca to carry out three assassinations While touring the island with Tania the daughter of the hotel magnate who ordered the hits he bitterly recalls events from five years earlier At that time working for a Chinese criminal organization he sought refuge in a student apartment in Palma where he met and fell in love with Elena Fearful that Elena would discover his true identity combined with betrayal by his employers he was drawn into a spiral of deceit and death that nearly cost both their lives In the present day as he eliminates his targets Carlos uncovers a secret that will damn his soul forever This story blends youth passion and tragedy into an unimaginable extreme of love Episode II Vengeance Years after sowing panic in Mallorca Carlos now a morphine addicted assassin receives a special assignment from an American foundation to execute historical justice Reluctantly accepting he is moved by the photograph of Mar a Garc a whom he must avenge hoping to forget Elena and reunite with his unknown daughter In s This time he is accompanied by Esther who crossed his path by chance forming a bloody bond that spans several continents Unbeknownst to Carlos he has created a monster worse than himself Episode III Dogs of War Seeking to forget Tania and all she represents Carlos settles in the small Moroccan town of Taghazout However life is never easy for an assassin who has left a trail of death across continents A nine year old boy enters his life forcing him to experience emotions he never imagined Mercenaries from the world s most powerful investment fund arrive in Taghazout to eliminate him as he has meddled in affairs beyond his concern Yet he cannot turn back he owes it to the boy who has inadvertently stirred his feelings This trilogy masterfully intertwines themes of love betrayal and redemption against the backdrop of Mallorca and beyond **Value Realization in the Phygital Reality Market** Lin Huang,Biao Gao,Mengjia Gao,2023-08-09 This book is a timely and much needed comprehensive compilation that reflects the development of research on consumption and communication in the conflation of the real and digital worlds bringing together the current state of thinking about the phygital reality market and the cutting edge challenges that are involved In this book the term phygital

reality market is used implying that the physical digital and virtual realms are fused into one to recognize and understand the market with multiple or mixed realities. The concept of the phygital reality market captures the new realities that consumers are shopping, consuming and living and companies are competing within the physical digital and virtual marketplaces. The book covers the research on consumption, service and communication in the phygital reality market and compiles the current state of thinking, challenges and cases having to do with the acceptance and diffusion of new technologies of phygital reality. The interest in the phygital reality market such as omnichannel retailing integrating physical stores and online services has grown hugely over the last two decades particularly since the coronavirus pandemic COVID triggered severe social and economic disruption around the world but has accelerated the acceptance and diffusion of new technologies in the phygital reality market where the physical digital and virtual worlds are conflated. Versatile problem solving and new challenges are reflected in the value realization process of innovation in other words widespread acceptance and diffusion of devices or services that embody new technologies. The excitement and hype associated with the metaverse have highlighted the need to understand the creation and adoption of new technologies in consumption and marketing recognition of the foundational role of new technologies in driving consumer behavior and marketing theory and practice in value realization as a vital part of the process of digital transformation.
