Panda Back From The Brink:

Panda Mengqi Zhou, 2012 The giant panda is unique and not just uniquely charming the iconic animal has no close relatives in the animal world This celebration of the much loved icon of endangered wildlife brings together the expertise of leading conservationists with photographs from the Wolong research centre and the Sichuan wilderness *Panda: Back from the Brink* Zhou Mengqi, 2011-12-19 A celebration of the iconic giant panda includes donation to the pandas in the care of Edinburgh Zoo Despite becoming a symbol of wildlife conservation having narrowly avoided extinction there are fewer than 2 000 giant pandas alive today This spectacular celebration of our best loved bear combines the expertise of the foremost panda conservationists with an extraordinary collection of photographs previously unseen in the UK Catch a rare glimpse of this shy creature at home in the high mountain forests of Sichuan and peek inside the nursery at the Wolong research institution where efforts to save the panda have been bearing fruit **A Visual Celebration of Giant Pandas**

Fanny Lai, Bjorn Olesen, 2013-01-24 The result of five years of meticulous research and stunning photography *A Visual Celebration of Giant Pandas* is a delightful volume that follows in the footsteps of the shy and enigmatic giant panda and captures both adults and cubs on camera in close up situations Beautifully photographed in rarely seen settings the authors explain what makes the panda such a lovable icon and why the public cannot have enough of this symbol of quiet hope for survival in a fast changing planet It also provides readers with fascinating and detailed information about Giant Pandas and the other species that share its habitat such as the red panda and snow leopard The issue of pandaplomacy is also addressed with the arrival of pandas in Singapore in 2012 and their likely arrival in Malaysia in 2013 Finally the book assesses the chances of survival for the giant panda and the efforts being made to preserve its habitat **The Charles Colson Collection: The Good Life / How Now Shall We Live?** Charles Colson, 2017-01-10 This collection bundles two of popular author Chuck Colson's classics into one volume for a great value *The Good Life* What constitutes the good life Chuck Colson explores the ways in which people define and live the pursuit of happiness Colson uses fascinating real life stories to illustrate the philosophies and worldviews by which individuals seek the good life Colson speaks directly and revealingly about his Watergate years and he examines the beliefs and assumptions that make up the fabric of our lives *The Good Life* searches for answers to the questions we all ask Who am I Why am I here How can I make my life count *How Now Shall We Live* True Christianity goes far beyond John 3 16 beyond private faith and personal salvation It is nothing less than a framework for understanding all of reality It is a worldview In *How Now Shall We Live* the 2000 Gold Medallion winner for best book about Christianity and society Chuck Colson and Nancy Pearcey show that the great spiritual battle today is a cosmic struggle between competing worldviews Through inspiring true stories and compelling teaching they demonstrate how to Expose the false views and values of modern culture Live a more fulfilling life the way God created us to live Contend for the faith by understanding how nonbelievers think Build a society that reflects biblical principles In short *How Now Shall We Live* will
