The Complete Guide to the Parables R. T. Kendall, 2004 A renowned pastor unwraps Jesus parables and shows how these simple stories enliven and enlighten the hearts of those who have ears to hear *Discovering the Parables* Henry G. Covert, 2007-12-30 Long before there were printing presses copy machines and email societies used storytelling to convey beliefs history and traditions This practice preceded the ministry of Jesus and continues today in many cultures But Jesus was a master of storytelling His words provide many with guidelines and a road map for living Using familiar imagery found in nature and other recognizable sources he engaged his listeners with lessons that confronted every aspect of their lives providing the tools for self examination and change Speaking in parables however sometimes caused confusion for his listeners and readers today may wonder what exactly he meant and how his words apply to everyday life This book looks at each of Jesus s parables explaining the key points the central themes and the meanings we can take away from the stories By considering each parable in depth the author helps readers come to a better understanding of the teachings of Jesus and what they mean for our lives **Stories with Intent** Klyne R. Snodgrass, 2018-02-16 Winner of the 2009 Christianity Today Award for Biblical Studies Stories with Intent offers pastors and students a comprehensive and accessible guide to Jesus parables Klyne Snodgrass explores in vivid detail the historical context in which these stories were told the part they played in Jesus overall message and the ways in which they have been interpreted in the church and the academy Snodgrass begins by surveying the primary issues in parables interpretation and providing an overview of other parables often neglected in the discussion from the Old Testament Jewish writings and the Greco Roman world He then groups the more important parables of Jesus thematically and offers a comprehensive treatment of each exploring both background and significance for today This tenth anniversary edition includes a substantial new chapter that surveys developments in the interpretation of parables since the book s original 2008 publication Parables Remix Study Guide Stewart H. **Stories Jesus Told Leader Guide** Prof. Greg Carey,2019-08-06 The parables of Jesus like the Good Samaritan the Prodigal Son and the Laborers in the Vineyard make up the most distinctive element of his teaching and are essential to our common memory of Jesus However almost all of them open themselves to multiple interpretations leaving interpreters to scratch their heads and argue with one another for centuries In this book Greg Carey explores six of Jesus stories to understand how to read them interpret them and understand what they mean for our own lives today The Leader Guide contains everything needed to guide a group through the six week study including session plans activities and discussion questions as well as multiple format options The Challenge of Jesus' Parables Richard N. Longenecker,2000-03-03 A fresh look at the meaning of Jesus parables for Christian living today The parables recorded in the Gospels are central for an understanding of Jesus and his ministry Yet the parables are more than simple stories they present a number of obstacles to contemporary readers hoping to fully grasp their meaning In this volume thirteen New Testament scholars provide the background necessary to understand the original context and meaning of Jesus parables as well as their modern applications all in a manner easily accessible to general readers Contributors Stephen C Barton Craig A Evans Richard T France Donald A Hagner Morna D Hooker Sylvia C Keesmaat Michael P Knowles Walter L Liefeld Richard N Longenecker Allan W Martens Klyne R Snodgrass Robert H Stein Stephen I Wright **Parables of the Kingdom** Mary Ann Getty-Sullivan,2007 Do you not understand this parable is a question Jesus posed to his disciples Mark 4 13 Just as the first disciples often did not understand Jesus many parables so it is for listeners and readers nearly two thousand years later In *Parables of the Kingdom* Mary Ann Getty Sullivan helps readers to hear and see and understand the parables of Jesus She offers a general introduction to the use of parables in the life and ministry of Jesus and the early church In addition Getty Sullivan helps readers learn to interpret parables to enter into what the parables can reveal about Jesus and his audience about the evangelists and their communities and about how we are to understand the Kingdom of God today *Parables of the Kingdom* helps us hear and see Jesus parables with new eyes and renewed hearts thereby allowing the parables to transform our lives and help us respond with new conviction to the gospel's power in our world Mary Ann Getty Sullivan holds an S T D from the Catholic University of Louvain in Belgium She has been teaching New Testament courses in colleges and seminaries for more than thirty years and has recently retired from teaching full time to devote more time to writing and lecturing Mary Ann has written several commentaries on the Letters of Saint Paul Her recent books include *Women in the New Testament* published by Liturgical Press *The Power of Parable* Dominic Crossan,2012-05-17 In this perceptive and provocative new look at the Gospels John Dominic Crossan begins by observing that the parabolic stories told by Jesus seem remarkably similar to the resurrection stories about Jesus Were the latter intended as parables just as much as the former he

asks Could it be that we have been reading parables presuming them to be history and misunderstanding both In other words could Jesus use of parables have inspired the Gospel writers to create meaningful metaphorical stories about Jesus to help them explain who he really was     Parables for Preachers Barbara E. Reid,1999 The parables of Jesus are puzzling sayings and stories with world transforming potential Parables for Preachers offers an understanding of how parables work and a fresh variety of possible meanings not only for Jesus s original audience and for the early Christians for whom Matthew Mark and Luke wrote but also for contemporary Christians as well The Gospel parables are analyzed in the order in which they appear in the Lectionary making this book an indispensable resource for preachers teachers catechists liturgy planners and Bible study groups     Parables John White,2018-07-31 Everyone loves a good story but the parables of Jesus are a special kind of story In this guide John White helps us explore twelve of the greatest stories ever told     **Modern Day Christian Parables Vol 2** Christian Mann,2019-09-24 Short stories that have a that spark the imagination but at the end is an explanation of the parable and the lesson it s meant to teach     *The Parables of Jesus* R. T. Kendall,2011-10 The Prodigal Son The Mustard Seed The Sheep and the Goats Through these and dozens more parables Jesus helped His followers then and now to grasp spiritual truths about the Kingdom of God and how Kingdom people should live In this book Dr R T Kendall unwraps Jesus simple stories one by one and uncovers profound meaning Why did Jesus reveal so much about the Kingdom in His teaching He was building a bridge from the natural to the spiritual writes Kendall Dr Kendall shows how Jesus used parables to sow seeds in the listener s heart that could later grow and bear fruit Readers will learn how parables safeguard the secrets of God reveal His sovereignty and actually survey salvation from conversion through the work of the Holy Spirit to what happens to a believer at death As readers begin to understand the purpose promise and paradox of the parables they will get to know in a fresh way the One who told them Two thousand years ago and today the parables enliven and enlighten the hearts of all who have ears to hear     *Speaking Parables* David Buttrick,2000-01-01 David Buttrick provides an introduction to the parables with a discussion of particular homiletical issues preachers face in interpreting parables Speaking Parables includes commentary on thirty three different parables with suggestions for preaching each one

color their perspectives In *Short Stories* by Jesus Amy Jill Levine analyzes these problems with parables taking readers back in time to understand how their original Jewish audience understood them With this revitalized understanding she interprets these moving stories for the contemporary reader showing how the parables are not just about Jesus but are also about us and when read rightly still challenge and provoke us two thousand years later The Leader Guide contains everything needed to guide a group through the six week study including session plans activities and discussion questions as well as multiple format options
