8 Keys to Old School Parenting for Modern-Day Families Michael Mascolo, 2015-04-27 Raising secure and confident kids using best parenting practices from the past Does it ever seem to you like kids these days are in control of their parents Having a strong sense of yourself as a parent is key to raising a resilient independent thoughtful and

solution focused child But over the last several generations parents have been immersed in the well intentioned idea that parenting should be child centered rather than adult centered Many parents have begun to follow their children s lead rather than insist that children adapt to parental prerogatives Parental authority has come to be seen as a bad thing The 8 keys presented in this book focus on valuing your own authority as a parent cultivating your child s character applying discipline instead of punishment strategies to motivate compliance fostering emotional development problem solving conflict management and effective communication They will help parents raise self directed children who are active learners feel good about themselves take initiative and have a strong moral compass
